

Camping

I like camping very much. It's interesting to go camping. We can go camping in many places. We can camp in the desert, forest, beach or farm. I like camping in the desert because it's quiet there. We take many equipment when we go camping. We should take water to drink, wash and cook. We should take a torch to see things in at night. I take sun cream to protect my skin from the sun. I take insect repellent to keep insects away.
