

Drexel Mock Trial - Summer Program - See email for flyers

Hello,

My name is Athira Sivan, and I'm currently the recruitment chair of Drexel University's Mock Trial Association.

I am emailing in relation to an opportunity for your students. Every year, DUMT hosts a camp for high school students called the Drexel Mock Trial Experience. I am hoping that some students from the Pennsylvania High School Mock Trial Association might attend! It's a great camp, and I think they would get a lot out of it. It's a great way to practice mock trial skills in the off-season, and learn about collegiate level mock trial.

The camp is an intensive but fun five days. The program is non-residential, and will be running from June 26th - June 30, 2017 from 8am - 5pm each day. Students will be coached throughout the week by local attorneys and members/coaches of the nationally competitive Drexel University Undergraduate Mock Trial team. They will divide into teams, and work on writing direct and cross examinations, opening statements, and closing arguments as well as learn about trial procedure, courtroom decorum, the rules of evidence, and how to make proper objections. Students will practice their roles throughout the week, and the Mock Trial Experience will conclude with two trials on the final day. Parents and loved ones are invited to attend the final trial and award ceremony on Friday afternoon.

The cost of the camp is \$625 per person, and this cost will cover all of the expenses for the week, including: case packet and materials, breakfast and lunch, coaching and lectures, a Drexel Mock Trial Experience polo shirt, certificate of completion, and awards.

If any of your students are interested I would encourage them to apply! Applications for the camp are due on May 12th, 2017. Application submission instructions can be found at the top of the application.

I'm attaching to this email including the camp application and a flier for you to share.

I hope you will pass the information along to interested students! I'm sure they will get a lot out of it! Please direct any additional questions to DrexelMockTrialExperience@gmail.com.

I hope to hear from you soon!

Best,

Athira Sivan
