

Taylor Baumert

I was born and raised in Pawnee City, Nebraska. I graduated from PC in 2008. I went to college at Wayne State, where I was a member of the football team for 5 years. I graduated WSC in 2013. This will be my 12th year teaching & coaching. I have taught numerous SS, PE, & weights classes in my career as well various coaching assignments. Athletics & competition are my passion and I love the lifelong lessons that are learned from participating in sports. My wife Ky'Lee (also from PC) and I have been married for 11 years. We have four children: Emma (7), Noah & Regan (5), & Payton (3). Now that we have kids, my summer's are spent hauling them to the football field, gym, and weight room for summer workouts, as well as the library, trails, and anywhere else that sounds fun. This last Christmas, we decided that our lives weren't busy enough with 4 kids, so we added Rue, a Labradoodle to our family!

I am an avid reader. When I am not engrossed in a sports season that takes up a lot of my free time, I am constantly pouring through as many books as I can get my hands on. I also like to spend time outside working in the yard or garden.
