## In-Stream/Quick & Dirty ToS

By requesting a paid commission from me, you acknowledge that you have been provided with and have read these Terms of Service. They are binding and I reserve the right to cancel a commission if I feel they have been violated.

### Conduct

I will retain a friendly professional environment and I expect commissioners to do the same.

### Hourly Pricing

All pricing is in USD. Pricing is tiered according to the number of hours commissioned. I am selective with commissions over one hour. Your idea may not be selected, but please, pitch it! Whether or not I accept long commissions depends on my interest in the idea and free time at that given moment.

As with visual art, pricing reflects the amount of work a project requires. Pricing is non-negotiable unless otherwise stated. However, if you were misquoted at a lower price than the final result, I will honor the discrepancy. If a pricing discrepancy higher than the outlined fee is present, I will retroactively issue a refund for the overcharged amount.

Tiers	Number of Hours	Pricing Per Hour	Total Cost
Tier 1	1 Hour	\$20	\$20
Tier 2	2 Hours	\$25	\$50
Tier 3	3 Hours	\$30	\$90

Commissions are done in-stream unless otherwise requested. Time-lapses are provided to you by default unless otherwise requested. Hours worked on commissions are measured by when work is being actively accomplished and not by the number of hours I have been streaming. The timer is always visible and is paused when I'm not actively working.

All commissions come with a free basic title card. If you have a specific image you would like to use for a title card, please let me know. If you have a title card completed by another artist, please provide that. If when presented with a completed title card you wish for it to be changed, that will be subject to a negotiable fee based on the complexity of the new title card.

### Payment

Payment is accepted exclusively through PayPal via the Request Money feature.

All work is prepaid by the hour, as I work in "chunks." Hours may not always be completed in one sitting.

## Before Commissioning

Have character references or descriptions available if any characters involved are unique. Examples of unique characters are OCs and fursonas. Descriptions must include pronouns, unique features, build, and descriptions of genitalia or sexual anatomy for explicit pieces.

If you are uncomfortable with certain terms being used to describe a character's anatomy, *please* make that clear and I will avoid using those terms. Examples of this would be if the commissioner has a trans masc pre-op or non-op he/him character and is uncomfortable with the terms typically used to describe that anatomy. This also applies to any euphemisms in general the commissioner dislikes.

Please have an idea in mind. The more specific your idea, the better.

Example: Two characters have a date at the beach and end the day at home with some fun.

More specific details would include what events happen on the date (getting ice cream, building a sandcastle) and specific bedroom activities (cunnilingus, fingering). If the commissioner is specific about dialogue, dialogue will be requested from the commissioner. If the commissioner is not specific about dialogue, examples of each character's speech pattern may be requested.

## Outlines and Outline Pricing

Before a commission begins, I will provide a basic outline detailing your idea from start to finish; this outline is free of charge. Once we have agreed on the basic outline and you've decided to proceed with the commission, I will begin work on an advanced outline if your idea is very specific.

Once an outline is agreed upon, any editing that occurs to it thereafter is subject to a fee.

Outline Detail	Price	Post-Confirmation Editing Fee
Basic	No Cost	\$5
Advanced	\$5	\$10

Additions of detail to outlines are not typically subject to post-confirmation editing fees as these do not require significant reworking.

## Editing

"Quick & Dirty" timed commissions are subject to different editing rules than standard commissions. These commissions are intended to be fully completed within the commissioned timeframe (aside from proofreading and style refinements, which are completed without a timer), which does not allow the commissioner to make changes to the story unless they are present at the stream.

Edits suggested in-stream are subject to additional fees as they significantly lengthen overall stream time. Do not suggest in-stream edits if you have a strict budget.

## Completion Dates

Completion dates may be given a time range if streams are scheduled. I do not accept rush commissions.

## Private or Anonymous Commissions

Private commissions will be completed off-stream but are still recorded and timed. They are subject to a +10% fee addition to the original commission price.

Anonymized commissions (commissions wherein I change certain details, like character description, so that the character(s) present is/are not obviously your fursona or OC) are completed the same way as private commissions, but edits are free.

## Canceling or Canceled Work

If a commission is canceled for any reason, the commissioner will be refunded for the amount of incomplete work. Commissions canceled after timed work has been completed will not be refunded. If the commission was canceled because of a conduct or payment violation, the commissioner may be subject to refusal of future projects of any length.

## Refunds

Refunds will be processed within no more than 48 hours (and typically within 24 hours) of the requested refund. The commissioner will not be refunded for work that has been completed; refunds only apply to incomplete work. Proof of completed work will be shown before the refund is processed.

## Will Not Write & Discomfort Fees

I am comfortable writing most themes and am unlikely to turn away a short commission even if I'm uncomfortable. Details on these charts may change; I will inform active commissioners if they have, but active commissions will not have price changes applied. The pricing agreed upon at the beginning of the commission will be honored without exception.

The only way to be sure if I'm comfortable with a theme is to ask! There are nuances that are difficult to summarize. Things rated (XXXX) will never be accepted for commission.

(X) +5%	(XX) +10%	(XXX) +20%	(XXXX)
<ul style="list-style-type: none"><li>• Plantigrade Foot Fetish</li><li>• Breeding Kink</li></ul>	<ul style="list-style-type: none"><li>• Fatal Vore</li></ul>	<ul style="list-style-type: none"><li>• Extreme Gore</li><li>• Fatal Gore</li><li>• Traditional Birthing</li><li>• Traditional Pregnancy</li><li>• Scat</li><li>• Vomiting</li></ul>	<ul style="list-style-type: none"><li>• Underage characters in explicit scenes</li></ul>

If your commission contains multiple things subject to price changes, the price changes are totaled. For example, a commission involving both fatal vore and scat would be +40%. A commission involving plantigrade foot fetish and traditional pregnancy would be +25%.

## Favorite Themes

Long commissions have a higher chance of being selected if they include things I enjoy writing. The things listed in the table below are primarily explicit themes.
