

MetaMoz Documentation

What

- MetaMoz -- broad ideas for reimagining the whole of MozFest

Who

- Chris
- Adam
- Matthew
- Kevin
- Spike
- Meen Chul
- Sam

Accomplishments

- Cafe- intentional space for connecting and digesting
- Pre MozFest Engagement: Need to gather more data and space conversation
- We have a network data mapping plan
- Diversified role of volunteers
- Spaces are thinking about Mozfest as a holistic experience
- Recognized we need to track changes and connect to year round programs
- In place of traditional main stage, a series of salons

Next Steps

- Connect network mapping to science research
 - Help drive registration process
 - Build the network mapping thing
 - Form cafe committee/identify wrangler
 - Hashtagify issues areas
 - Rethink Saturday night, engage social game designers
 - Documentation feature in schedule app
 - Design festival identity and space
-
