SUPPLIER SUSTAINABILITY SELF-ASSESSMENT QUESTIONNAIRE

Company Name: _____

Supplier Name: _____

Contact Person: _____

Email / Phone: _____

Date: _____

1. Energy Awareness & As-Is Monitoring

1. Do you know your total annual energy cost (electricity and fuels)? Yes No
2. Do you monitor or review energy bills at least monthly? Yes No
3. Do you know which systems or processes consume the most energy in your business? Yes No
4. Do you track energy consumption over time (e.g. comparing months or years)? Yes No

2. Equipment & Infrastructure

5. Is most of your energy-using equipment less than 10 years old or energy-efficient? Yes No
6. Have you replaced most lighting with LED technology? Yes No
7. Is your heating, cooling, or ventilation system regularly maintained? Yes No
8. Is your building reasonably well insulated (walls, roof, windows, doors)? Yes No
9. Do you use energy-efficient motors, compressors, or refrigeration equipment? Yes No

3. Operational Practices

10. Do you apply **switch-off or scheduling rules** for lighting, HVAC, and equipment when not in use? Yes No
11. Do you perform regular preventive maintenance to avoid energy losses? Yes No
12. Are energy-intensive activities avoided during peak hours where possible? Yes No
13. Do employees receive basic guidance or training on saving energy? Yes No

4. Management & Planning

14. Is there a person responsible for energy or utility management in your business?

Yes No

15. Have you set simple energy-saving targets (even informal ones)? Yes No

16. Have you ever conducted an energy audit or energy assessment? Yes No

5. Investment & Future Readiness

17. Would you invest in an energy-efficiency measure with payback under 3 years?

Yes No

18. Are you aware of or have you used subsidies, grants, or incentives for energy efficiency? Yes No

Self-Assessment Scoring

Scoring Guide

- **Yes** = 1 point
- **No** = 0 points

Maximum score: 18 points

Sustainability Score

Section	Questions	Score
Energy Awareness & As-Is Monitoring	1–4	___ / 2
Equipment & Infrastructure	5–9	___ / 2
Operational Practices	10–13	___ / 2
Management & Planning	14–16	___ / 2
Investment & Future Readiness	17–18	___ / 2
Total Score		___ / 18

Sustainability Rating

High (13–18) – Advanced stage SME, Ready for strategic investments, smart systems, and ESG reporting

Medium (7–12) – Intermediate stage SME, Ready for low-cost technologies and targeted upgrades

Low (0–6) – Early stage SME, Focus on awareness, monitoring, and no-cost actions

Declaration

I confirm that the information provided in this questionnaire is accurate and complete to the best of my knowledge.
