The directions to restart the TV: To power down, just hold down the power button, start, and then follow the directions. The source is HDMI 2 and the password is 000000.

Student expectations:

- **When getting ready to go to lunch, please have students wash their hands in the hallway before leaving for the cafeteria.**
- **Attention signal - Give Me Five or 1, 2, 3, eyes on me (students say 1, 2, eyes on you)**
- **Hallway - Straight, Short, and Silent in the order the students lined up in. I do not have a line order. The line begins with the line leader and is followed by the order the table colors are asked to line up. If a student gets out of line for any reason (ex. push in a chair), the student goes to the end of the line upon returning. This applies to everyone except the line leader. Students not following the directions may also be sent to the end of the line.**
- **Bathroom - Quick, Clean, Quiet**
    - **I have 12 students. I let all of the girls go at the same time. Allow all the boys to go at the same time.**
- **Everywhere - MYOB (Mind Your Own Business)**
- **Everywhere - KHFOOTY (Keep hands, feet, and other objects to yourself)**

- **Recess - A whistle blown three times means that it is time to line up. Students MUST line up immediately.**
    - **Also, students are not allowed in the grass beyond the electric pole in the middle of the field. Students can still walk laps in that part of the field, but it is tough to keep an eye on all students when they get into areas down by the fence facing Highway C.**
- **Students not following the Bobcat Way (school rules) or classroom rules may be given laps to walk around the playground during recess. A student may run or walk his/her lap(s), but may not visit with friends while doing so. Please leave me a list of any laps students were given throughout the day and if**

the laps were completed at recess. Laps earned in the afternoon will be walked the next school day.

- **If the class gets out of hand, have everyone stop, and do belly breaths to get back on track.**
