

# Using Paper with a Substitute Teacher

## Any Subject, Grades 3-12

### Assignment Objectives

- Students will be able to utilize Paper Live Help and a graphic organizer to better understand confusing concepts and skills taught in class while with a substitute teacher.

### Teacher Instructions

1. Print this resource for when you are absent to understand what concepts and skills your students were confused with while learning with a substitute teacher.
2. In your substitute lesson plans, be sure to inform the substitute that students can utilize Paper when they get stuck on any of the work that is assigned.
3. Each student will use the Paper Live Help feature and the attached graphic organizer to take notes on the concepts taught in class in which they needed more assistance with.
4. Collect documents from students when you return and remediate if you feel necessary.

### Ideas for Use

1. Best used to collect data on the concepts and skills that students did not understand while with a substitute.
2. This resource can also be used for any homework assignments over long breaks or weekends to identify the areas in which students are struggling.

#HowWePaper

We would love to know how this resource worked for you. Please use this [form](#) to provide us with your feedback!

## Using Paper with a Substitute Teacher

### Student Instructions

1. While learning with a substitute teacher, use this graphic organizer to write down all of the problems you were struggling with when completing the assignments.
2. Login to Paper and start a Live Help session to review all of the problems that you did not understand.

**Example Conversation Starter:** *“Hi! I’m working on this question in class assigned by my substitute teacher, and I’m not sure how to correctly answer it.”*

3. Follow teacher directions for what to do when you are finished.
