Endorsed Delegate Assessment Criteria

The Endorsed Delegate Assessment Criteria is self-reported and is intended to provide DYDX holders with deeper information about an Endorsed Delegate.

Delegate	Alignment	Experience	Engagement	Diversity	Conflicts	Total
Node-Guardians	2/2	2/2	2/2	1/2	2/2	9/10

Detailed Assessment:

1. **Alignment**
   - **2** – High-level commitment to the dYdX protocol and governance. Delegate will benefit if the dYdX protocol grows.
   - **1** – Some commitment to the dYdX protocol and governance. Delegate may indirectly benefit if the dYdX protocol grows.
   - **0** – No commitment to the dYdX protocol and governance.

   Details:

2. **Experience**
   - **2** – Delegate has a professional background in crypto governance, smart contract development, code auditing, financial risk modeling, DeFi protocols, or similar.
   - **1** – Delegate has a personal interest in the criteria listed above.
   - **0** – Delegate has an unrelated background.

   Details:

3. **Engagement**
   - **2** – Delegate has a strong history of participating in forums, voting and/or participating with other relevant communities.
   - **1** – Delegate has a limited history of community engagement.
   - **0** – Delegate has no history of community engagement.

Details:

4. **Diversity of Perspective**
   - **2 –** Delegate has a unique perspective compared to other delegates.
   - **1 –** Delegate represents a perspective that is underrepresented in governance.
   - **0 –** Delegate represents a perspective that is widely represented in governance.

   Details:

5. **Conflicts**
   - **2 -** Delegate has no existing conflicts with the dYdX protocol, and would not benefit in any way from the dYdX protocol's failure.
   - **1 -** Delegate has no outright conflicts with the dYdX protocol, but may benefit in some unusual circumstances if the dYdX protocol fails.
   - **0 -** Delegate has an outright conflict with the dYdX protocol, or may benefit in typical circumstances if the protocol fails.
