Welcome to our 2025-26 School Year!

We are so excited for another great school year here at Clinton-Massie Local Schools!

**Meal prices remain the same!**

**Breakfast \$1.75 for all grades**

**Lunch: Elementary \$3.00, Middle/High \$3.25, extra milk - .75 cents**

The government passed the Ohio Budget Bill which will give us reimbursement for each “reduced” student that eats breakfast or lunch. This means for the families who are approved for reduced meals, you will no longer have to pay .30 cents for breakfast, or .40 cents for lunch. **The students approved for reduced will be free, also.** You must fill out an application, and be approved, for reduced meals to receive this benefit.

## **FREE AND REDUCED APPLICATIONS**

Please make sure to fill out the free and reduced applications. The eligibility guidelines have changed for this school year and you may be approved. This information is kept confidential. School fees are waived if you are approved, and the school receives funds for each of these meals that are served. If you were approved for last year, **you do** have to complete a new application for this school year, unless you receive a letter saying you were “Direct Certified”. We will receive that notification from the government.

The Free and Reduced applications can be done online. Go to the [Clinton-Massie website](http://Clinton-Massie website), Resources, Parents/Students, LINQ Pay (meal payments). That will take you to a link for “LINQ Connect” where you either Sign In or Register. **Please make sure you are filling out an application that is for the 2025-26 school year. We cannot accept an application with the 2024-25 school year at the top.**
