My Daughter, I wish you the strength to face challenges with confidence along with the wisdom to choose your battles carefully. I wish you adventure on your journey and may you always stop to help someone along the way. Listen to your heart, and take risks carefully. Remember how much you are loved. I'm so proud of you. Love, Mom

Peyton Schrader

We are so proud of all you have accomplished and your academic achievements. Keep working hard to reach your goals and remember, "You are never too old to set another goal, or dream another dream" (C.S. Lewis). But more than classes and sports, when you look back we hope you remember the friends and fun that made high school memorable. Always make room for the people who fill your heart, and let God guide your path.

Much love, Mom, Dad and Noah
