

**Governor Winslow Elementary School
After School Enrichment Program
2026**

**Ms. Maura Hayes
Program Director
781.834.5060**

DATES

Classes will meet for six consecutive weeks on **THURSDAYS**, beginning February 26, and concluding on April 2. The make-up date will be Thursday, April 9. Parents/Guardians are welcome to join us at 4:00 PM during the **last class** to celebrate the fun!

TIME

Classes begin immediately after school and end at 4:30 PM.

TUITION

Tuition is **\$70.00** per course (materials included). There is a \$15 dollar non refundable deposit. Please pay online using UniPay. To pay using UniPay please [click here](#). Choose "enrichment" from the toolbar on the left, click "after school enrichment program," and complete the payment information. If you are paying for more than one child, put the total for all children into the "pay amount" box and include all of the first names in the "first name" box.

If you are unable to pay online, your child may bring in cash or check. Please make checks payable to: **Town of Marshfield (memo: GWS ASEP)**. No refunds will be given for illness, inclement weather, holidays, or any other condition beyond the control of the school. The program will be closed when GWS is closed.

DEADLINE

The link to the online application will be emailed to families on Friday, January 30th. The application deadline is Friday, February 6th. If your child's first choice is not available, he/she will be placed in the second or third choice indicated. Classes are filled as space allows on a first come first serve basis.

TRANSPORTATION

Parents/Guardians are responsible for transportation home. Due to the amount of students participating in enrichment, **we highly recommend carpooling and ask parents to follow the Car Line Dismissal procedures**. Students will be dismissed through the main entrance.

ALL CLASSES ARE FOR STUDENTS IN GRADES 3-5 UNLESS OTHERWISE SPECIFIED.

	Archery (4th & 5th ONLY) Students will have fun practicing their archery skills and playing games! Students will have a blast while also improving their hand eye skills and fine motor skills. If you like to be social with peers, be actively engaged and challenge yourself, you will love this program. Instructors: Mr. Jackson & Mr. Patota Enrollment Limit: <u>20 students</u>
---	--

Coloring Extravaganza Students will have fun planning and using different mediums in a coloring class with Ms. Montalto! Let's see all the wonderful ideas you come up with! Instructor: Ms. Montalto Enrollment Limit: <u>8 students-10 Students</u>	
---	---

	Picture Perfect Scrapbooking Students will create a scrapbook full of memories. They will have the opportunity to bring photos from home, go through magazines, or make their own creation to look back on for years to come. Let them really show off their style and creativity while having a great time! Instructor: Ms. Brown Enrollment Limit: <u>10 students</u>
--	---

	Ping Pong You will be introduced to the basic game of ping pong. Learn the basic rules of the game, hand-eye coordination exercises, keeping score, and participating in both singles and doubles matches. We'll have fun learning the game of ping pong. Instructors: Mrs. Jacobucci & Mrs. Lane Enrollment Limit: <u>16 students</u>
---	--

Horse Crazy

Students will have a great time learning about horses and designing a barn. They will also get the chance to use hands-on learning with real tack equipment (bridle ect.)! Come share your love of horses or learn something new!

Instructor: Mrs. Buckley

Enrollment Limit: 10 students

Taylor Swift Club

Students will participate in a creative club sharing their love for Taylor Swift! From friendship bracelets to trivia and fun games! As well as making their own Eras Tour poster about themselves!

Instructor: Ms. Ryll

Enrollment Limit: 10 students

Talent Show

Students will participate in a hands-on Talent Show. They will work on their talent throughout the weeks and finish with a performance for parents and guardians to watch!

Instructor: Ms. Antos

Enrollment Limit: 10 Students

Painting

Students will participate in painting in different mediums each week! Students will be able to use their creativity to produce beautiful paintings that they can take home to keep.

Instructor: Mrs. Coletta

Enrollment Limit: 10 Students

LEGO RACING

Students will learn various engineering techniques to develop and test a Lego race car. On the last day of the course, we will race our cars!

Instructor: Mr. Talacci

Enrollment Limit: 12 students
