

# Communication Requirements

I am providing a list of the communications the cooperating teachers will be required to submit throughout the semester. I have included approximate dates of when a response is expected as well as submission information. For every assignment, I will send an email to the cooperating teacher asking for a response, sometimes to specific questions, as a reply to my email.

As you identify potential cooperating teachers, please share this information so they are aware of the requirements of the course. I will also be sending this information to cooperating teachers in my initial email requesting confirmation of your placement.
