

Good afternoon Emerson Students and Families

(3/20)

Good afternoon, we have made it to spring break and the students and staff are ready for a little down time. During the week we discussed, reviewed and practiced our safety drills. Each time we have a safety week we use it as an opportunity to refine our procedures and improve communications. Our students and staff responded well to all the drills and we appreciate the flexibility and patience.

We hope you and your family enjoy your break from the routines of school and we look forward to seeing you all back at school on Monday March 30th.

**Key Announcements:**

- No School - March 23rd-27th for Spring Break
- Athletics:  
Sports deadlines are approaching! The deadlines for upcoming sports are as follows:

Coed 7th & 8th Grade Track & Field - April 10th, 2026

In closing, let me know if you have any questions or concerns.
