

COMMONWEALTH OF KENTUCKY

FREDONIA CITY COUNCIL

ORDINANCE NO. _____

**An Ordinance regarding water utility construction passing through the city limits of
Fredonia.**

Whereas, the City Council, upon motion, second, and appropriate vote occurring on the ____ day of _____, _____, that the following will be in act thus forward;

Section 1

A permit shall be filled at City Hall with the being 2% of the total cost of projects. This permit is to be filed by the general construction company.

All sub-contractors on the job site must file a permit at City Hall at a cost of \$1000.00 per permit.

Section 2

All equipment must have the following safety equipment: first aid kit, fire extinguisher, and back up alarms. All parties involved shall give City Hall proof of insurance and workman compensation.

Section 3

Due to age of our system, any damage to any part of Fredonia Water and Sewer System will result in a \$3,000.00 fine for each occurrence. This is whether the water or sewer line is marked or unmarked.

These fees and permits can be dismissed once a connection from the new system is connected to Fredonia Water System's water tower and a contract to purchase water is complete.

Adopted this _____ day of _____, 2022.
