

Hello, thank you for taking an interest in my work! I have a couple things I need to spell out first before we can start.

1. Content I will write about is up to my discretion, I reserve the right to turn down any commission for any reason.
2. Pay up front in full. 50% upfront 50% on completion pricing is available but subject to my refusal.
3. Refunds will only be done if no work has been started on the product, and may incur blacklist/additional fees, depending on the circumstances. **DO NOT SEND ME MONEY UNTIL YOU ARE 100% SURE YOU WANT TO COMMISSION ME.**
4. My TAT is roughly 1 week per writing, but I will update you regularly and give you WIPS as necessary
5. Major changes to the subject, scene, background, scope, etc, of the writing will incur additional fees at my discretion.

To confirm you have read this and agree to it, please add “the silly slime girl” to your initial message when contacting me for commissions. >w<
