- During the 2024 - 2025 season the Midland Curling Club is actively looking for local youth to become involved in the sport. The club is sponsoring a number of youth curling clinics during November, which I would like for you to inform your student body about. Please reference the attached flier. Curling is a fun and easy to learn (olympic) sport. The curling club will supply all of the equipment required to play. To play, the student only needs warm clothing and a pair of clean shoes. If you have any questions please feel free to contact me.
