Letter from Football Ontario

Welcome to the **Inaugural High School Girls 5v5 Flag Football Provincial Championship**, proudly hosted at **McMaster University** in Hamilton, Ontario. We are thrilled to have you join us for this historic event, where young athletes from across the province will make history by competing in the first-ever province-wide championship for girls flag football.

This tournament represents a milestone for the growth of flag football in Ontario. Together, we are building a pathway for high school athletes to pursue opportunities at the collegiate, national, and Olympic levels. We are proud to be leading the way for the future of women and girls in sport.

Why This Championship Matters:

- 🏈 **Equipment Support:** Each participating school will receive an official **NFL Flag Kit** to continue developing their flag football programs.
- 🎯 **Scouting & Recruitment:** Coaches and scouts from the **OWIFA**, **NCAA**, and **NAIA** have been invited to attend, providing athletes a platform for collegiate recruitment.
- 🎥 **Film & Exposure:** Athletes will have access to professional video and photography services to build highlight reels and promote their talents.
- 🌟 **Making History:** You are the pioneers – the first to compete in a fully recognized provincial high school girls flag championship, helping establish a lasting tradition and pathway to elite opportunities, including the **2028 Olympic Games**.

We are incredibly excited to see all the teams showcase their skills, sportsmanship, and passion for the game. This championship is about more than competition – it's about creating opportunities, building community, and inspiring the next generation of female athletes.

Thank you for being a part of this historic moment.

We can't wait to welcome you to McMaster University for a day of incredible football and unforgettable memories!

Sincerely,

Olivia Ghosh-Swaby

RULEBOOK CHANGES

Two changes will be implemented for this year's competition to align with International rules and Football Canada.

- 1) **Downs:** The offensive team takes possession of the ball at its 5-yard line and has 4 plays to cross midfield. When a team crosses midfield, it has 4 plays to score a touchdown. If the offense fails to score, the ball changes possession, and the new offensive team takes over on its 5-yard line.
- 2) **Motions:** Two or more offensive players may be shifting their position simultaneously before the snap. Their movement may be in any direction but they must become set for one full count before the ball is snapped or before another player can go in motion before the snap. Only one player is allowed to be in motion at the snap and their movement must be parallel or away from the L.O.S. and must be continuous.
- 3) **Pro-Clock:** No pro clock will run for this event.
