

Me and My School Year Prompts

Instructions: Below is a list of prompts that you can select from to use to reflect on who you are and the school year. You'll be selecting five or more of these to add to your slideshow. For each prompt you have to create an artifact that shows your answer. This can be done with writing, art, or something else of your choosing. Once you've completed each artifact, you will then have to explain why you selected what you did. All of your work will be completed on a slideshow so you can show off your answers.
