

## Window Display Project

In the school store there is a storefront window and two display windows. It is up to you and your partner(s) to create a captivating display.

What to do:

- Use any items from the school store to display
  - Focus on the newest items in the store
  - There are mannequins available to dress as well.
- Use any decorations from the decoration boxes in the classroom.
  - Be sure that decorations are season appropriate. Sorry, no winter themes in May!
- Be sure that the display is visually appealing
- Have some sort of communication in your display about the products using the back tagboard or have a backdrop
- Season Specific decorations to include
  - September: Back to school
  - October: Fall theme
  - November: Thanksgiving
  - December: Holiday Theme
  - January: Winter theme
  - February: Valentine's Day
  - March: St. Patrick's Day
  - April: Spring/Easter
  - May: End of school/Summer on the way

You will be graded on using the space appropriately, using products from the store and the visual appeal of the store.

If you are unsure if you are able to use something or how to display something, you may ask Mr. Van Aacken.
