MLP Comic Writer Ted Anderson Possibly Let Go At IDW

- <http://www.equestriadaily.com/2014/09/mlp-comic-writer-ted-anderson-possibly.html>
- Last week the latest MLP Annual 2014 comic was published, writer for the story Ted Anderson did an annotations (or behind the scene talk) for the comic.

When talking about some of the cameos that he added into the comic, one characters stood out. Upon further research, the owner of the character was known for their

anti-brony, anti-fandom and general social justice warrior comments.

When ask, Ted Anderson's answer was less than favorable. People then contacted IDW and Hasbro about the matter. IDW has issued an email reply, saying that *"the writer definitely does not speak for IDW, nor will he work here again as a result of this."*
