

What to do if you can't find your confirmation email from Mobilize America

If you have signed up for an event on Mobilize America and cannot find your confirmation email, here is what you can do to locate important information about your event that was included as part of the confirmation email that you were supposed to receive, but, for whatever reason, did not.

Step 1.

Go to: <https://mobilize.us/dashboard/>. If you are not already logged in, you should be prompted to enter your email (as pictured below), and you will receive a one time sign in link.

A screenshot of a login prompt. At the top, it says "Please log in to see this page". Below this, there are two options. The first is a dark blue button with a white Facebook 'f' icon and the text "Continue with Facebook". Below this button is the word "or". The second option is a blue button with a white envelope icon and the text "Get a magic link".

Step 2.

The email you are looking for is called: “Your login link for Mobilize.”

Hey Susan!

Here's your login link for your dashboard on Mobilize:
