Directions:

- Use Classic Player in Storyline

- Use custom color scheme for shapes throughout; white font on colored background/ black font on white background
- Use Calibri font for all titles and Open Sans for all callouts
- If text in a callout is too long to display at once, fade-out/fade-in text and arrange sequentially on timeline; do not use scrolling text in callouts
- Seekbar is visible and controllable for learner on all slides; Menu is "free"
- Slide numbers with letters (ex 1.3a) indicate layers for the corresponding slide number
- All audio files created through Wellsaid Labs
- Source similar assets to descriptions given throughout the storyboard
- Comments are enabled for feedback
- Feedback will be used to make changes/revisions for the next review cycle
