

The Friday Note

09/11/26

Religion We will start Unit 2- God Leads His Nation on Monday. As God chooses leaders to lead his people, He sometimes chose unlikely leaders. One of those is Moses. We will look in Exodus 1-12 at the account of the enslaved Israelites and the 10 Plagues. Through this we will learn that God is with us in hard times and that God is the Lord of all who rescues His people.	Memory Tuesday- Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness or hunger or sword? No in all these things we are more than conquerors through Him who loved us. Romans 8:35,37 Thursday- I will deliver you... i will take you to be My people and I will be your God Exodus 6:6-7
Reading We will be ready for a test over the sections Via and Summer on Friday.	Social Studies Phew! We finished up the Native American Museum project and are now learning about European exploration.
English Chapter 2 test on Monday. We are also going to start working on a narrative writing project.	Spelling All the words in List 5 are compound words. The only tricky part will be knowing which words need a hyphen between them and which do not. The test will be on Thursday.
Science We are going to have a test over Chapter 2 on Wednesday. It will cover vocabulary and the study guides in the workbook. Then we will begin a new unit on Matter.	Math 5th Grade- Test on Friday 6th Grade- Quiz Tuesday, Test Thursday & Friday
Book Orders I sent off the book orders today. They should be back by the end of next week or early the following week. Thank you for your orders. We were able to get some new books for our classroom library!	We Sing on Sunday! PreK - 8 sing on Sunday Morning at 8:30. Sit with your family and wear your chapel shirt.
Dates to Remember 09/11- Mid Quarter 09/13- Kids sing in church at 8:30 Contact Information 618-534-8785 cspenner@trinityhoffman.org	One Last Thing... Today is the midquarter mark for the 1st Quarter. It seems almost impossible that we are already here. The kids all know the routine and are doing a good job getting things done and turned in on time. However, some of them need to focus on the quality of their work. In the quest to be finished, some are rushing through and making silly errors. Kids can always bring their work home to be checked over. My request is that they finish the work before you check it over. You can help them find the answers, but they really need to try on their own first. Blessings! Cindy Spenner
