

April Mission of the Month:

Feed My Starving Children

(Continued….)

Feed My Starving Children (FMSC) believes hope starts with food. As a Christian nonprofit, FMSC is dedicated to seeing every child whole in body and spirit. FMSC works with food distribution partners that stay with communities for the long haul, empowering them to move from relief to development.

FMSC meals are developed by food science and nutrition professionals to supplement nutritional needs and reduce problems with malnutrition. Nutrition allows children to grow, thrive and develop to their full potential.

The process is simple. Donations given by people just like you fund the meal ingredients. Volunteers like you hand-pack the meals. Meals are donated to FMSC food partners around the world, where kids are fed and lives are saved!

This year a MobilePack event is planned over the weekend of May 19-21, 2023 at DelVal University. The goal is to pack 329,000+ meals, feeding over 900 kids a meal a day for a year. The event needs to raise about $92,000 to support the event.

DUMC is proud to support Kevin McPoyle's efforts to hold a huge, local food-packing event every year. The DUMC Mission & Outreach Committee dedicates the April Mission of the Month to support Feed My Starving Children financially, too. Please give generously.
