

Gallatin County Lower Elementary School 2019-2020

Comprehensive Improvement Plan

School improvement efforts focus on student needs through a collaborative process involving all stakeholders to establish and address priority needs, district funding, and closing achievement gaps between identified subgroups of students. Additionally, schools build upon their capacity for high-quality planning by making connections between academic resources and available funding to address targeted needs.

Operational definitions of each area within the plan

Goal: Long-term three to five year target based on Kentucky Board of Education required goals. Schools may supplement with individual or district goals.

Objective: Short-term target to be attained by the end of the current school year.

Strategy: Research-based approach based on the 6 Key Core Work Processes designed to systematically address the process, practice or condition that the district will focus its efforts upon in order to reach its goals/objectives.

Activity: The actionable steps used to deploy the chosen strategy.

Key Core Work Processes: A series of processes that involve the majority of an organization's workforce and relate to its core competencies. These are the factors that determine an organization's success and help it prioritize areas for growth.

Measure of Success: the criteria that you believe shows the impact of our work. The **measures** may be quantifiable or qualitative, but they are observable in some way. Without data on what is being accomplished by our deliberate actions, we have little or no foundation for decision-making or improvement.

Progress Monitoring: is used to assess the plan performance, to quantify a rate of improvement based on goals and objectives, and to evaluate the effectiveness of the plan.

Guidelines for Building an Improvement Plan

- There are 6 required District Goals: Proficiency, Separate Academic Indicator, Achievement Gap Closure, Graduation rate, Growth, and Transition readiness.
- There are 5 required school-level goals:
For elementary/middle school: Proficiency, Separate Academic Indicator, Gap, Growth, and Transition readiness.
For high school: Proficiency, Separate Academic Indicator, Gap, Graduation rate, and Transition readiness.
- There can be multiple objectives for each goal.
- There can be multiple strategies for each objective.
- There can be multiple activities for each strategy.

1: Proficiency Goal

Goal 1 (State your proficiency goal): By Spring of 2023, 85% of students will be in tier 1 according to iReady in reading and math.		
Which Strategy will the district use to address this goal? (The Strategy can be based upon the six Key Core Work Processes listed below or another research-based approach. Objective 1: By Spring of 2020, 70% of students will be in tier 1 according to iReady in reading. Objective 2: By Spring of 2020, 70% of students will be in tier 1 according to iReady in math.	Ensure congruency is present between standards, learning targets and assessment measures. KCWP 2: Design and Deliver Instruction	Teachers will engage in weekly PLC meetings using PLC protocol to determine standards for instruction, analyze data based on common assessments, plan next steps based on instructional needs and reduce barriers of students. (FRYSC).	PLC protocol, data analysis and next steps, grade-level common assessments, curriculum pacing documents, walk-through data	Weekly PLCs, Data Teams at end of every summative, Walk throughs	\$0
	Ensure ongoing professional development in the area of best practice/high yield instructional strategies. KCWP 2: Design and Deliver Instruction	Teachers will be supported in implementation of High Yield Instructional Strategies by KDE coaches.	Instructional walk throughs of high yield strategies.	Walk throughs	\$0
	Ensure that assessments are designed to best evaluate student learning (learning target/assessment match). KCWP 3: Design and Deliver Assessment Literacy	PLCs teams, RTI specialist and Principal will review assessments and make sure they are aligned and rigorous.	PLCs, Data Teams	PLCs weekly, Data Teams at end of every summative	\$0
	Increase collaboration in deconstructing standards and developing congruent learning targets. KCWP 3: Design and Deliver Assessment Literacy	PLCs will discuss standards and create student friendly learning targets.	Walk throughs for targets posted, matching to lesson plans and standards, using targets	Walk Throughs, Lesson Plans	\$0
