

Staff Shout Out!

Meet Mr. Dangler...

All about me...

I am the Physical Education Teacher here at the Elementary level. I also coach 7th Grade Boys and Girls Basketball and JV Baseball here at Beaverton.

I am a 2022 Graduate of Grand Valley State University where I won Student Teacher of the Year Award.

I really enjoy the outdoors and what it has to offer as I spend a lot of my free time outside hunting and fishing.

I am a big sports fan, with my favorite sports being football, basketball, baseball, and golf. My favorite sports teams are the Detroit Lions and Michigan Wolverines.

Years Taught: First year!

My WHY for teaching...

I teach because my experience in school was a good one. It was mostly due to the fact that I had some pretty awesome teachers that really had an impact on me and shaped who I am today.
