Scar map

Self-inflicted

Sharp burn-like scar snaking around the knuckles and through the palm of his right hand
Cause: wrapped a rope too tightly in his hand and couldn't pull away when the horse started yanking

Short jagged scars across both knuckles
Cause: punching wooden posts in frustration

Very faint thin lines over left forearm and at the base of his neck
Cause: aggressive scratching when stressed

Small circular scar webbing outwards over the back of his left hand
Cause: (intentionally) poured an acidic substance on himself

Accidental

Large gash from left hip to opposite shoulder blade
Cause: Griffin talons (circus)

Small scar over left corner of the mouth
Cause: fell on a rock while tumbling down a small hill

Inflicted by Others

Slash across the chest and collarbone
Cause: attacked by knights of the Grey Order

Smallish stab scar just below right shoulder blade
Cause: a mercenary arrow

Large stab wound on the right-center ribs
Cause: ran through by a knight of the Grey Order while protecting the prince

(healed by a cleric- would have died otherwise)

Deep gouge bite mark on right calf
Cause: attacked by goblins

Shallow bite mark on left upper arm
Cause: attacked by goblins

Long thin scars across the lower abdomen and lower back
Cause: attacked by goblins

6-8 inch scar across right cheek (just below the eye)
Cause: attacked by mercenary

Permanent bruising around the neck
Cause: years of punishment via slave shock collar

Small spider-web scar in left-center of the chest (over the heart)
Cause: attacked by a knight of the Grey Order
