Do you have any established partners on campus for this project/Idea?

No

Idea Description:

Electric scooters for students to travel around Arcata.

Need Statement:

Easier access for students to go to locations that are farther than they are able to go without transportation.

Expected Outcome:

Refuses transportation fumes. Frees up parking.

HEIF Goals this Project will Accomplish:

The HEIF will achieve its mission through projects that are developed by students and, to the extent possible, implemented, monitored, and maintained with strong student involvement., The HEIF will require accountability by measuring and reporting quantitative and qualitative results, as well as levels of involvement by students and other participants, in all its projects., The HEIF will strive to make its projects derive from and be connected to the curriculum of the university., The HEIF will support the dissemination of information about its projects through public outreach and educational activities., The HEIF will seek to publicize accomplishments and experiences associated with its program and projects through a variety of media.

How did you hear about this opportunity to submit an Idea to HEIF?

Fellow Student

Would you like to receive feedback on your Idea before the Committee votes on it?

Maybe

Is there anything else you'd like the HEIF Committee to consider when reviewing this project?
