

Now that you have completed the film, revisit the opening credits of *TKAM*. You may want to use the same symbols as you did before and see how well your predictions came to pass. You may want to find new ideas and new objects as the rest of the film may have revealed some big thinking.

Symbol/Imagery	Screen Capture (Screenshot from Film Clip)	What Did That Object Foreshadow? (What Happened?, What Did It Symbolize?)	Where Do See This Symbol in Other Patterns/Uses in Other Sources/Life
Safety pin		It suggested things being held together -- the family, the case against Tom Robinson; it foreshadowed something dangerous happening to the kids and their safety pin (Boo)	Safety pins tend to be something moms have - at least that's my experience; Also, it's bent and usually if we see something broken early on (Melinda in Speak, mice in OMaM) it means we learn why or how it got broken
