

BUTTERFLY FESTIVAL

July 17-23, 2025

- ✿ No dungeons
- ✿ Pocket land with extra tasks
- ✿ Coin of Summer
- ✿ 2 Inspiration Trees

NEW FEATURE - TREASURE HUNT until July 30.

Use energy to cut down objects and get shovels. Use them to dig the chests in the Treasure Hunt window. The goal is to collect artifacts. You can see how many artifacts there are left in the bottom of the window. When you find all of them on this island, you can move on to the next or continue digging up the chests to get the rest of the treasures and caches.

Treasures give you some resources, caches give you some energy drinks. Artifacts don't give you anything, they just allow you to move on to the next island and get closer to getting the decoration.

Noble Ship

A unique reward from the Treasure Hunt. After a friend inspects it, you can get coins, XP, energy, collection elements and many useful resources.
