

Activities to Learn and Improve your FRENCH weekly

Activity #1: (all grades): Awesome App to become fluent in french - *a continuous project.*

Duolingo

- Free App on your phone
- Can access online: <https://www.duolingo.com/learn>
- Free to sign up with an email and password
- Choose **French** as your language option to learn
- Can invite friends from facebook and challenge them
- Start at the beginning level and see how many levels you can accomplish!
- Leader Board for top achievers
- Try for 1 lesson (about 20 minutes) each day and you will be surprised with your progress!
- Get points, rewards and unlock new levels while tracking your progress!

Not sure how to navigate the website? Watch my short tutorial videos below:

Activity #2: Using grammar and translation sites to facilitate french learning:

Grade 4 - 6:

- Make a **Picture Book** this week: Each day draw a picture of something you saw or did that day, and write a sentence about it in french. Use the following websites for translation help, and to check your grammar:

Google Translate: <https://translate.google.ca/>

Deep L (everyday expressions) <https://www.deepl.com/en/translator>

Le bon patron (French grammar, editing) <https://bonpatron.com/en/>

Grade 7 - 9

- **Journal Entries:** Each day write a french journal entry about something you did. (1 - 3 sentences). Use the following websites for translation help, and to check your grammar:

Google Translate (translation) <https://translate.google.ca/>

Deep L (everyday expressions) <https://www.deepl.com/en/translator>

Le bon patron (French grammar, editing) <https://bonpatron.com/en/>

Activity #3: (Grade 4 - 9+)

Watch one of your favourite movies in french!

- Many movie streaming programs (Netflix, Disney+, etc.) and DVDs offer french as an alternate language.
- Use english subtitles if you want to help make connections to french vocabulary
- Some french movies are even on Youtube! Below is a link to *Finding Nemo* in french: <https://www.youtube.com/watch?v=XuGPv6zVMdM>
