Dear Parents & Guardians,

NYSED requires school districts to have an **Emergency Remote Instructional Plan** in place each year. Each of our students will have a remote instructional packet. Please keep this packet in a safe location so it can be easily located in the event that the school district calls for a remote day.

If the need for a remote instructional day is ever needed, MVES students will utilize the following approach:

General Schedule:

- **K-2 Students**

- 9:00 a.m. & 11:00 a.m. - Student / Teacher Check-Ins
 - Check Google Classroom or SeeSaw for meeting link
- If students do not have access to a computer and cannot attend their Google Meet, they will not be penalized in any way. All students should complete the "emergency remote instructional packet" and return it to school the next day school is in session. Again, please keep your child's packet in a safe location at home.
- If you are not sure how to login to google classroom, please refer to the following guide: [A Parent Guide to Google Classroom.](#)

**** Please note, that if we have a 2 hour delay prior to a "remote day," there will be one teacher check-in at 11:00 a.m and one at 1:00 p.m.*

Should you have any questions or require further clarification on any aspect of the provided materials, please do not hesitate to reach out to your child's teacher. Again, the purpose of this information is to make sure that we are prepared for a remote instructional day if ever the need arises. Thank you for your ongoing partnership in your child's education.

Sincerely,

A handwritten signature in black ink that reads 'DLGallant'.

Deborah L. Gallant
Principal, Minisink Valley Elementary School
