

Chapter 8a Vocab List
Nervous System Anatomy

1. Gray Matter
2. White Matter
3. Gyri
4. Sulci
5. Fissures
6. Longitudinal Fissure
7. Transverse Fissure
8. Lateral Fissure
9. Cerebrum
10. Temporal Lobe
11. Occipital Lobe
12. Frontal Lobe
13. Parietal Lobe
14. Proprioception
15. Primary Somatosensory Cortex
16. Somatic Sensory Association Cortex
17. Visual Cortex
18. Visual Association Cortex
19. Primary Auditory Cortex
20. Auditory Association Cortex
21. Conduction Aphasia
22. Wernicke's Cortex
23. Wernicke's Aphasia
24. Taste Cortex
25. Olfactory Cortex
26. Primary Motor Cortex
27. Premotor Cortex
28. Broca's Cortex
29. Broca's Aphasia
30. Arcuate Fasciculus
31. Prefrontal Cortex
32. Brainstem
33. Medulla Oblongata
34. Motor Tracts
35. Decussation of Pyramids
36. Reticular Formation
37. Vasomotor Center
38. Cardiac Center
39. Medullary Rhythmicity Area
40. Pons Varolii
41. Midbrain
42. Ventral Cerebral Peduncles
43. Dorsal Tectum
44. Diencephalon
45. Thalamus
46. Hypothalamus
47. Optic Tracts
48. Optic Chiasma
49. Infundibulum
50. Mammillary Bodies
51. Pineal Gland
52. Cerebellum
53. Spinal Cord
54. Cervical Enlargement
55. Lumbar Enlargement
56. Cerebrospinal Fluid
57. Meninges
