

New Reflections Vision: *to produce a student centered program that supports and embraces the unique needs of all. Through individualized learning opportunities, students will prepare for career or college pathways.*

Graduation			
Life Plan			
Academic	Career Exploration	Success Skills	Family Engagement
Students will explore personalized instructional methods, supports, and services helping to accelerate their learning progress.	Students will be provided with opportunities to explore and plan a variety of career pathways.	Students will work on developing skill sets in the following areas: 21st century skills, soft skills, study habits, SEL, and employability.	We will emphasize building partnerships with families to assist with student support and growth.
• Rigorous standards • Varied curriculum • Individual, flexible course work • Proficiency based • Engaging	• Career planning • Career exposure • Xello • Volunteer opportunities • Work hours	• Soft skill development • Goal setting and life planning • Academic preparation • Tech exposure • Social and emotional	• Two-way communication • Resources • Assist with post-secondary planning
Focus Questions			
1. Who am I? 2. Where am I going? 3. How can I get there?		Discovery and Reflection Explore and Dream Plan and Execute	
Student Pledge: <i>I will strive to uphold the values of respect, responsibility, resourcefulness, discovery, and excellence when it comes to my education. During my academic work hours I will always attempt to make meaningful gains towards my two goals: graduation and life planning.</i>			
Teacher Pledge: <i>I will uphold the importance of a welcoming, supportive, challenging and well rounded school experience for every student, everyday. It is my responsibility to work in collaboration with staff, students, and parents to create a learning environment where students can experience success in our core developmental areas.</i>
