I've always taken sleep for granted, but my wife, who stirs easily, does not. In our early marriage, I slept quietly and never disturbed her. At some point in my late 30s, however, I started to snore.

"I'm a 75 year old US Marine, prostate cancer survivor with U.S. govt issues artificial knee, pedicle screw & rod implants at L3, L4, L5.

In 2005, I had a severely botched-up orthoscopic gall bladder surgery where I almost bled to death.

Current State:

I have a joint fingers pain.

Ever since then, I've had extreme diarrhea problems that dominated my life.

Dream State:

My finger pain was gone.

It just relieved the pain in my finger joints. When I moved my fingers, I typically had joint pain. After taking BrocElite® for about two days, my finger pain was gone.

I just feel better all around.

I love it and have told my friends about. I feel more alert and have more of a zip in my step. I feel better in the morning when I get up and feel like I have more energy. I just feel better all around. It's been a noticeable change.

My husband attributed them to helping his feet not hurt when he's on them for 14- 16 hours a day and his back feels better.

My wife was so delighted to get uninterrupted sleep again!

I haven't snored since. My wife was so delighted to get uninterrupted sleep again!

I started taking BrocElite® a year ago to reduce my pain. Today I'm pain free. My body – every part of it – is working better today than it did 25 years ago! My miracle supplement!"

Once I started taking BrocElite®, my life is now manageable and so much better.
