ANNOUNCEMENT

As you all might know, we had recently made few posts on our instagram with an appeal for donations to better aid our spaying campaign.

As per our post, the targeted goal was approximately Rs. 85,000. And, that would cover all our spaying costs for 30 dogs approx.

And now, the reason behind us writing this post is to show heart much appreciation that our team has right now. We are sending warm love and also would like to thank each and everyone of you who donated to the cause. The most beautiful - overwhelming and emotional part was when one college student donated his pocket money (all he had) 🙏. Gestures like this keeps us moving, do what we do.

We would like to inform you that we are starting this campaign from this week as we were able to collect Rs. 68,330 which is about 81.34% of the targeted goal reached. We seriously couldn't have done this without you all ❤️🐕.

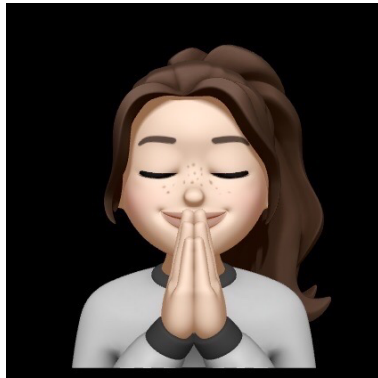

Regards,
