

TOPIC: LIBERATE

SPEAKER: PASTOR HOPE

Texts: Mark 5:20-42, 1 Chronicles 4:9-10, Matthew 11:5, 1 Corinthians 10:13

The word liberate means "to free", in other words "freedom".

Whatever you don't understand is not yours, you need understanding to possess what is yours.

It is a taboo to be born again and you don't know the meaning of being born again. Knowing is an understanding.

When you lack understanding of who you are in Christ then frustration is a must. It is understanding that brings inspirations.

If any ministry must succeed, it must understand its purpose. Understanding is the source of enthusiasm, inspiration, joy e.t.c.

When there is understanding, there is hope. When you understand your freedom in Christ, it doesn't matter what life throws against you cause you will surely overcome it.

Liberation talks about freedom.

Spirits communicate with spirits.

Anytime you blame someone for your wrong and the person takes responsibilities for your wrong, automatically he becomes your master.

Whatever you fear, opens a loophole for Satan to come in.

One of the evidence of God's visit is liberation(freedom). Liberation always brings about a change of story(destiny).

The last chapter of your life summarizes your entire life. The first thing God does when he visits you is to break you.

You can't be renewed when you are not broken. If you are not broken you can't be used by God.

When you encounter God, He first silent your pride. When God is breaking you, he is brooding over you.

Spiritual problem is solved with spiritual solution. Mysterious problem is solved in mysterious ways.

What you refuse to conquer has the authority(ability) to prevail. You cannot work with Satan and rebuke Satan,
It is impossible.
