T.O.S

1. I retain the right to refuse any sale throughout the entire process. Refunds will only be given after the downpayment and **not** after completion.
2. Due to Paypal's age restriction, you must be 18 or **agree to**:
 - ◆ Have a parent/guardian facilitate the payment through their account with permission.
 - ◆ Understand that refunds will not be given for the complete commission as a parent/guardian gave consent to the purchase.
3. If you are interested in commissioning me, contact me at raphael.social.mail@gmail.com for any questions and/or fill out the form. Payments will be made through **Paypal only in USD**. Discussions will be through email and I will include a google drive link to the finished commission and the raw project file.
4. Once work begins on the commission a downpayment of 5% of the final price must be made. You will receive watermarked image updates of the piece. On completion, the watermark will be removed and the final payment will be processed.
5. On default, the final piece may be included in my portfolio with credits to the buyer and myself. If you wish to opt out of this, please let me know.
6. Once sold, you have full rights to the adoptable or commission. You can re-sell the adopt, trace what you bought, edit it, etc. **You must**:
 - ◆ Credit me.
 - ◆ Refuse to feed my work to AI.
 - ◆ Refuse to make crypto currency, NFTs with my work.
 - ◆ Ask beforehand if you want to use your commission for commercial use.

✦ 🎨 Boundaries 🎨 ✦

I Will

1. Draw any animals, creatures, or anthropomorphic characters with any accessories, outfits, etc as long as the buyer provides a reference sheet, is commissioning a reference sheet, or provides a detailed description with the awareness that I am a beginner anthro artist.
2. Draw simple machinery and simple mech characters with the buyer's awareness that I am not as experienced in them.
3. In rare instances, I will open commissions for humans or humanoid characters with the buyer's understanding that I am learning anatomy.
4. Draw any level of cartoon gore, violence, and horror esc art as long as it is not realistic, requires real life references or includes medical settings.
 - ✦ Extreme gore might include exposed insides, extreme wounds, and/or unhealed missing body parts. **Minors cannot request extreme gore.**
5. Draw mildly suggestive artwork of adult humanoid/anthro characters.
 - ✦ Suggestive artwork might include suggestive poses and/or revealing clothing. It does not include nudity. **Minors cannot request suggestive art.**
6. Accept requests for fanart, Canon Characters, and OCs. I also accept requests for reaction images, emojis, badges, backgrounds, etc.
7. Accept reasonable requests not listed in this doc and allow buyers to ask me any questions through my email.

I Won't

1. Draw NSFW and/or fetish artwork that doesn't fall under mildly suggestive.
2. As it is above my skill level, I won't replicate the art styles of other media or accept hyper realism style requests.
3. Minors cannot request art depicting extreme gore or suggestive themes.
4. Accept commissions that depict bigotry, cultural appropriation, or pro-shipping/illegal relationships. I also will not accept commissions from buyers who have connections to the above.
5. Draw art that depicts medical phobias or emetophobia.
6. Make major changes to the commission after major progress has been made and multiple WIPS have been sent.

Notice

1. Once slots are filled, all commissions will be sorted into a queue. When work begins, smaller commissions may take one month or less to complete, while larger commissions may take up to three months or more to complete.
2. Regular WIPS screenshots will be sent once progress starts. Don't be afraid to tell me if you see mistakes that need to be fixed or you want small adjustments made. As per the above, I will not make major changes once major progress has been made.
