

If you find any other resources PLEASE add a comment on the document and I can add it!
#allinthistogether - Michelle Vasbinder

CTE GENERAL

- <http://www.livebinders.com/b/2643888?fbclid=IwAR08OyhvR76ilCIVHrIhlBYQHfpzNIENRXqGIM7t4jl-4-QrVIHL0LswrKA>
- <https://sharemylesson.com/search?grade=high-school&subject=career-and-technical-education>
 - You will have to create free log-in- many CTE lessons!
- https://www.cteonline.org/?fbclid=IwAR09EGy49u23Ep_O5geqmrVaqazuRq--o5cPFFvJmg1MrjnKIXzP6fjQ0dg
 - You can create an account and access all lessons for free and it includes all pathways.

AFNR

- https://drive.google.com/file/d/1SaVzre7FaH724UWYZxGKQHg1vvMIJ3mx/view?fbclid=IwAR3zi9hpb6tpg89WqUE_Clc44-ZO6kqNgP-ao7Zvk5-a35bhbMi5f8yJz6A
- <https://www.agednet.com/lessons.shtml>
- Go to uBloom.com/Join/Annual
 - Enter this code into the DISCOUNT CODE Field... note that the capital letters and no spaces... - I Suggest typing it in... rather than copy and paste...CarnationJoeGo
 - Click on submit- this will validate the code- you'll see a Green 100% come up and valid -
 - Then fill in the other information... Please NOTE - do not Check- Auto-renew- these FREE memberships cannot be automatically renewed... so leave that blank...
 - AGAIN _ I suggest setting up an ACCOUNT for your Classes- using a friendly Username and Passwords that you can share with your Students... PLEASE Do NOT share the FREE MEMBERSHIP Information with your students... Thank you!

- “Ag teacher how to” resource for digital learning. **Tons of very versatile lessons for any subject!**
<https://docs.google.com/document/d/1AE3cKYx9dUXejMwvgGeK4ZHlmd2AZXYg1x40c5bd4Qk/edit>
- “**Green & Growing Digital Learning Resources**” Course is free and has a lot of info on digital learning <https://green-and-growing-education.teachable.com/courses/>
- Virtual field trips: <https://agexplorer.com/virtual-field-trip>
- **Minecraft Education** Microsoft is offering free resources through the end of June within Minecraft Education with lessons that are specific to agriculture and sorted by the [Agriculture, Food and Natural Resources Pathways](#). Check out the [Report Learning Kit](#) to better understand how you can use this and Minecraft Education lessons and activities for learning.
- [Educator Resources](#)
- **Official FFA Student Handbook** You can now access an online version of the Official FFA Student Handbook free through the end of June. [The handbook in flipbook format](#) is available alongside digital editions of our [FFA New Horizons magazines](#). The handbook is also available as a [PDF download](#). We hope our turnkey [student handbook lesson plans](#), along with free access to the handbook will be helpful in your remote teaching efforts.
