

Trenton's 60 Day Rainmaker Challenge

Accountability Document

What's up G's? This will be the accountability document you will use to keep yourself on track and also accountable to your fellow G's to hold up your commitment to become a Rainmaker.

Upload this to the Agoge Competitions Chat at the end of every day so we can monitor your progression and help you where you need it.

Tag me when you upload this. This will help us all better understand the situation you are in and how to help you GET WHAT YOU WANT.

What is the critical task you completed today that is moving the needle most?

- **Wrote out emails for my client, got back on the horse completely.**
- **Also got a reply to an outreach email.**

What were your achievements today?

- Got a reply to an outreach email
- Wrote out emails for my clients
- Stuck to my workout
- Didn't forget daily pushups or daily checklist
- Practiced discipline, focusing on GWS more.

Twilight review on the day:

- Started off with a really lazy, super massive improvement towards the end that will carry on.

Losses:

- Started the day off super weak.
- Struggled with staying disciplined.

Insights learned today and how you will apply them to hit your goal:

- Get back on the horse ASAP when you feel you're falling off, and do some pushups to really stabilize again.

Tomorrow's tasks:

- Social media posts for SM accounts.
- Automated emails, try to set up some more sales calls, crush them, then get paid.
- Stick to my planned scheduled difficult workout, and remember to do my daily checklist and daily pushups.
