May 1, 2022 is the candidate reply date for many colleges. For some schools if you don't commit by May 1, 2022 you are no longer guaranteed entrance into the school. In addition if you were offered a scholarship it may no longer be available if you don't commit by May 1, 2022. It is important that you check with your school to see if you could lose your scholarship or seat if you don't commit by May 1, 2022.

**SCOIR College Information update - This is very important and needs to be completed.**

Also, more information utilizing your SCOIR account, visit this link [Managing Your College link](#).

In May, the counselors will be meeting with the seniors during their health and PE classes. This will fulfill the senior transition requirement. In the meantime, please complete the [graduation contract](#) and return it to your counselor.
