Group Chats:

Please have captains/ a member of leadership join this [GroupMe Chat](#) for day-of communication and other important updates that may come up!

Fields/Parking:

Fortin Park has free parking. Parking may be limited, so **try to maximize the amount of passengers per car** if possible. Parking will be separated by D-I & D-III, Open & Women's to account for schedule differences. **DO NOT PARK ON THE ENTRANCE ROAD.**

Please do not drive on the grass.

Tournament Central:

Tournament central will be home for posted scores updated in live time, water, snacks, and the Athletic Trainer! **There is no running source of water at the fields**, but we will do our best to provide ample water at tournament central where there will be Igloos to refill your bottles. If you have specific questions, please stop by the first pavilion located next to parking.

Bathrooms:

There are six port-o-potties available, with one handicapped stall near Tournament Central. There is no running water at this field site, so please plan accordingly.

Player Safety & Medical Emergencies:

There will be an Athletic Trainer at the field site located at **Tournament Central** to address a range of medical situations. In the event of an emergency, the nearest hospital with an **Emergency Room** is [A.O. Fox Hospital](#) in Oneonta located 10 minutes from the field site.

Concussions are a serious injury as a result of head trauma that may require immediate medical attention. Symptoms may include nausea, headache, vision problems, confusion, and balance instability. If you or anyone on your team is experiencing symptoms, please see the athletic trainer to evaluate your condition and whether or not game play should be continued.

Hydration is crucial to optimal wellness and sports performance. Please make sure your team is bringing and drinking water. Refill stations are located at Tournament Central.

Lastly, please consider calling a "**DANGEROUS PLAY**" as a means to prevent harmful contact & injuries. According to USAU:

"Fouls (3.C): It is the responsibility of all players to avoid contact in every way possible. *[[Avoid contact in every way reasonably possible, while still playing ultimate. Some contact is inevitable, but players have an affirmative obligation to make reasonable efforts to avoid contact.]]*

Dangerous Play. Actions demonstrating reckless disregard for the safety of or posing a significant risk of injury to fellow players, or other

dangerously aggressive behavior are considered “dangerous play” and are treated as a foul. The proper call in such circumstances is “dangerous play” and play stops. This rule is not superseded by any other rule.”

Weather:

[Click here to see the weather for the weekend!](#)

As you all know, Upstate New York can be pretty unreliable in April– if this is the case, rain doesn’t scare us. Lightning does. In the instance of lightning, we may postpone the tournament after careful deliberation with visiting teams.

Score Reporting:

You are responsible for recording scores throughout game play. Score reporting can be done by texting the TD, Ivan Lerner (516) 413-1649. After confirming the score with both teams the score will be updated.

INCLUSIVITY:

This tournament has teams requiring an ASL interpreter to attend the event. You can watch [this video](#) made by RIT to acclimate yourself with some on-field signs that may be helpful for your team during game play. ***We recommend your spirit captains are familiar with most if not all of these signs!***

Please be respectful and cognizant of pronouns that players may/may not use– this can be discussed in your captains’ or spirit captains’ meetings.

Game Rules:

[Official Rulebook](#)

- 105 minute rounds
- 75 Soft cap (1 horn)
- 95 Hard cap (2 horns)

Field Map:

Light blue indicates Tournament Central

Orange indicates parking

For Saturday:

*Women's Divisions should park in the spots nearer to the right baseball field

*Men's D-III should park in the left most area, parking cars in rows of 2-3

*Men's D-I should park in the outer most spots where parking is available
