

Episode 4: Greed for Deeds

“Infinity frustrated immensely walks up to Marker and Thread”

Infinity: Thread. Marker. What was that?

Marker: Oh great. The boring person is here.

Thread: Infinity I-

Infinity: Why'd you leave me behind last challenge? I thought you guys were going to help me up!

Marker: Oh boo hoo! I leave behind a whittle baby just to win a challenge!

Infinity: We still lost either way!

Marker: Not my fault. We were just doing the challenge.

Infinity: Thread! Why did you leave me behind like that? I thought we had an alliance!

Thread: I'm sorry it was-

Infinity: I don't want to hear it. Have fun with this bully for the rest of the game. Our alliance is OVER!

“Infinity runs away while crying”

Marker: What a baby. She's SO annoying.

Thread: Umm...

Marker: Just want to say something: You're with me now. If you leave, not only am I going to target YOU, I'm going to make sure that Infinity joins Mouse wherever she is.

Thread: “sigh” okay...

Chair: Man, what a deep conversation.

Thread: Wha-Why are YOU here?

Chair: I came here to remind you that it's ELIMINATION TIME!

Marker: Go away...

“ELIMINATION Time.....yeah.”

Campfire: These songs just keep getting worse, and WORSE!

Stop Sign: Complaining is highly illegal! You're going to-

“Stop Sign gets smacked by Google Chrome”

Google Chrome: Just shut it.

Chair: Welcome to elimination losers!

Planty: Losers?! WHO YOU CALLING-

Highlighter: Uhh guy-

“Highlighter gets beat up to death again”

Chair: Anyways...We got 16 votes for this elimination which is a new record! Yay!

Purple Dice: The only reason we got that many votes is because you let people vote for as many people as they wanted to.

Chair: Yeah that MIGHT have not been the best idea. But I'll change that later. For now, let's start!

Planty: yeahiknowshewassosurprise-

Chair: What are you doing?

Planty: I'm speaking a lot because analytics confirm that whoever speaks first will be safe. Right?

Chair: haha, NO! The first person safe is “did anyone call a pizza?” is PIZZA BOX with 0 votes.

Pizza Box: Awesome! Safe to deliver pizzas for another day!

Chair: Next 2 safe are the mean bullies Google Chrome and Campfire with 0 votes...wha-what are you viewers...wha-

Campfire: Yes!

“High-five”

Chair: Now we're at our bottom 10. Everyone still left got 1 vote against them!

Planty: Oh no I'm soo scared!

Chair: Well you should be because Purple Dice, Phone, Stop Sign, and Bronze Medal are all safe with one vote.

Band-Aid: How?! Purple Dice is the one that ruined the challenge for us and Phone does nothing besides calling the police! And don't get me started on-

Planty: Well, I'm know that-

Chair: SHUT UP!

Everyone: D:

Chair: "sigh" but you're the next one safe with one vote.

Planty: As expected.

Chair: Now we're down to our bottom 4. Marker, Thread, Infinity, and Band-Aid.

Infinity: What?! Why am I in the bottom 4?

Marker: For being a baby.

Infinity: You be quiet!

"Infinity starts to cry"

Thread: Infinity I-

Infinity: You KNOW that you hate me! Apologizing for leaving me behind isn't something that I would want to be a part of!

Chair: It's TIME! The next contestant eliminated from POS is.....

"Marker, Thread, and Infinity received 2 votes and Band-Aid received 3"

Band-Aid: WHAT?! How am I out, over a bunch of IDIOTS on my team! I shouldn't even BE in this position!

Marker: Well, you ARE annoying. Just get out of here.

Band-Aid: Whatever I don't care. GOLDEN WINNERS, I hope you lose too.

“Band-Aid disappears”

Chair: Let's get out of here!

“Chair teleports everyone away to an airport”

RedFinland: WOAH! Where are we?

Chair: Everyone please enter this airplane in a SINGLE FILE LINE. Wait a second...

“Chair recovers Highlighter”

“The SECOND he recovers Highlighter, Google Chrome tries to kill them but Chair stops him”

Chair: Hey stop killing your poor old teammate! All he did was ruin your reputation for a very disgusting joke!

Highlighter: Exactly! Wait what.

Chair: Everyone get on the airplane.

“While everyone gets on the airplane, Team Poop sideeyes Highlighter the entire time”

“LATER WHEN THEY GET ON THE PLANE”

Chair: Alright everyone it's time for the challenge!

Stop Sign: Wait, this is extremely dangerous! Are we just stuck in a plane?!

Chair: That's today's challenge!

Everyone: WHAT?!

Marker: Sooo do we like, do nothing on a plane? BORING.

Chair: Yes, but good luck getting there >:)

CHALLENGE: Each team has a separate beacon right next to each other that is located on Abo island about 30 minutes from here. Your challenge is to direct this airplane to your respective team's beacon. There is someone already piloting the beacon but he won't help ANY team. He's hard to get by but that's not the only person you'll be facing. There will be 3 floors that will deliver diversions, tricks, traps, and challenges that will even PREVENT you from getting to the driver's seat. There's even a chance that you'll get thrown out of the airplane on either of the exit doors located on every single floor.

Whichever team beacon the airplane lands on will win immunity! Everyone else will be up for elimination. And if it lands on NO ONE's beacon, everyone will be up for elimination.

Bronze Medal: WOAHH! That's a hard challenge!

Chair: You all escaped from a prison. You can handle this too!

Broccoli: That sounds like MY kind of FUN!

Chair: See? No problem! 3...2...1 GO!

Team CO: Star, RedFinland, Ninja, Strawberry, Window

Team POOP: Highlighter, Stop Sign, Campfire, Google Chrome, Planty

Team .: Marker, Thread, Infinity,

"Chair teleports to god knows where"

"Like last time, everyone is panicking"

Marker: Thread! Come on! We got a plane to hijack!

Thread: Oh, I'm coming!

Infinity: Oh, no. I am COMING WITH YOU TWO.

Marker: Aww! Whittle Baby wants to play with his whittle grown ups? Grow up.

Infinity: At least I don't betray people!

Thread: Well...

Infinity: You know what, fine. I'll go join another group.

"Infinity walks away into the chaos"

Marker: Come on Thread let's go!

"Marker and Thread push through the crowd and run towards the first floor"

"Purple Dice pulls their teammates out"

Purple Dice: Team! Let's head to the first floor! We lost a member and we can't afford to lose MORE!

“Infinity starts walking towards Team GOLDEN WINNERS”

Infinity: You guys should talk. Our team lost 2 members and the only ones left on my team are complete idiots.

Pizza Box: Did anyone order a PIZZ-

“Pizza Box gets slapped in the face by Purple Dice”

Purple Dice: Sorry about him, he’s never stopped thinking about pizzas ever since we came here...

Infinity: Oh no no! It’s alright! I just, you know feel left out...I mean my old alli-I mean friend group is gone just because of that stupid Marker. I don’t know where to go now.

Bronze Medal: How about you join us for this challenge?

Purple Dice: Yeah! We can help each other!

Infinity: Really? Thank you so much!

Bronze Medal: Whatever, let’s go!

“Team GOLDEN WINNERS and Infinity chase Marker and Thread onto the first floor while everyone else is fighting”

“In the chaos, Highlighter makes it out alive greatly damaged”

Highlighter: “GASP” “huff puff” what was that...

Campfire: HE’S ESCAPED!

Planty: Oh that’s it! GET HIM!

“Highlighter is being chased by his own team onto the first floor”

“Meanwhile, Team CO and Team POKREKA are still fighting”

Star: GET OFF OF US!

Brick: You guys are the one that’s on us!

Brick Wall: Uhh, guys I’m waiting for you guys. What should I do?

Pokeball: Go right ahead! Oh and take Brick with you!

“Pokeball throws Brick and he lands on Brick Wall”

Brick Wall: Come on Let's GO!

“Brick Wall and Brick run out of the mess with Ninja somehow right on their tail”

Strawberry: THAT'S IT!

“Strawberry lifts everyone on Team POKREKA and Team CO and shoves them out of the plane”

Strawberry: YEAH! That's how it's done! Let's go team! Team? Hello?

“Strawberry shrugs and then chases the teams into the first floor”

“Out of the plane, it shows everyone who's been pushed off as they are still hanging on to the plane on the left wing”

Star: AHHHH!! I DON'T THINK I CAN GO MUCH-

“Star lets go and he's sent flying”

Star: AHHHHHH!!!!!!

Window: STAR!!

RedFinland: COME ON WINDOW LET'S GO!

“As Window and RedFinland are hanging on the wind engine for dear life, the contestants finally arrive at the first floor”

“Ninja gets a phone call and he hides under the seats”

Ninja: What is it boss?

???: Remember that mission you're on? We're going to have to give you another task.

Ninja: What's the mission?

???: You see there's-

“While ??? is mumbling, Phone hears everything”

Phone: I.Know.What,You're.Doin-

"Phone gets hit with a shuriken"

???: What was that?

Ninja: Nothing. I will complete the mission.

???: Okay. We're counting on you.

"??? hangs up"

"Everyone is on the first floor"

Welcome everyone to the prize stage! Take a prize! Any prize!

Purple Dice: TEAM! Don't get distracted by-

Pizza Box: Ooh a pizza recipe!

"Pizza Box touches it, and it explodes on him"

Purple Dice: TEAM! Don't get...Where's Phone? "Sigh" I guess it's just you and me, Infinity.

Infinity: Quick! Let's go!

Marker: "scoff" idiots. Hey Thread! I got something that can help us a bit...

Thread: What is it?

"Marker pulls out a shotgun"

Marker: Psst. Fire this at the targets and we'll make a run for it.

Thread: What are you CRAZY?!

Marker: Do you want to WIN or not?

Thread: Yeah but-

Marker: That's what I thought. You oughta be rough to win. Now book it and let's go.

"Marker and Thread run as they fire the shotgun"

Brick: UGH I'm so bored. Let's go, Brick Wall.

Brick Wall: Oh okay.

"Brick Wall and Brick leave along with Highlighter STILL being chased by his own team and Purple Dice and Infinity fall behind with eyes closed with Strawberry running behind"

BOOM. "The first floor explodes"

MEANWHILE ON THE PLANE ENGINE...

RedFinland: FLYING PIECES COMING OUR WAY!!! DODGE THEM!

Window: AHHHHH I CAN'T HOLD ON MUCH LONGER!!!

RedFinland: KEEP GOING!!!

"Back to the second floor"

Strawberry: This is SO EASY! I didn't even try!

Brick: You didn't even HAVE to try.

Brick Wall: Just hush.

"Highlighter's running as fast as he can while his entire team starts getting chainsaws"

Highlighter: Where did CHAINSAWS come from?!

Planty: We found them on the floor.

Highlighter: AHHH!!!

"Marker picks up a shotgun, grabs Thread, and hides"

Thread: Is that a-

Marker: A big boy. Let's put him to use.

Thread: Well,

Marker: You know what, I'll leave this up to you.

Thread: ME?! I can't do that! They could get-

Marker: Seriously? Do you STILL care about other people's feeling? Just hold this shotgun for a second.

"Thread very scared, takes the shotgun"

Marker: Be one with the gun. Don't care about anyone's feelings. They're just puny weaklings. You are way better. Grip it tightly.

"Thread grips it harder"

Marker: Now real punks, would stop listening to me and go kill people! So go! NOW!

"Marker pushes Thread out and into the hallway where everyone notices"

Marker: Thread! Go!

"Thread starts shooting the gun and DOMES Strawberry in the face"

Thread: ha.Haha.HaHA.HAHAHA HAHAHAHA!!!

"Everyone stares in shock"

Thread: Run! Or um...you'll end up like HER! Yeah...sorry I'm-

Marker: You don't have to be sorry.

Thread: Um, YEAH! I'm not sorry!

"Thread shoots Google Chrome, Planty, and Campfire in the FACE"

Stop Sign: STOP! Holding Guns is illegal!

Thread: Actually according to the second amendment, it clarifies the right to bear arms. Sorry!

"Thread shoots Stop Sign right in the face"

Purple Dice: SHE'S INSANE!

Infinity: This is why I betrayed my team. Come on Purple Dice let's GO! If we don't we'll end up like THEM!

'Points to Strawberry's dead body'

"Infinity and Purple Dice start running away with Highlighter, Brick, and Brick Wall with Ninja right behind them"

Thread: OH NO YOU DON'T!

"Thread shoots Brick Wall through his right eye"

Brick Wall: OWWW!

Brick: Dude! Let's go!

Thread: DANG IT! They got away.

"Marker starts slowly clapping"

Marker: Never knew there was a legitimate beast within you. See your potential. Look into you. That thing has been hiding in you all along and you JUST noticed. Whatever. Better late than never.

Thread: Yeah...We should follow them now...They're getting away...

Everyone: yeahyeah that sounds good.

“Everyone gets guns”

Brick: Weak.

Brick Wall: Son I can't see!!!

Brick: Come on! We gotta hide!

“Brick Wall and Brick hide behind a lounge chair”

Infinity: Hey Purple Dice! Let's gang up on Thread and Marker!

Purple Dice: Sure! Wait...Isn't that your own TEAM?

Infinity: I've had enough of them for now. I don't care if I lose. I just want to see them get eliminated.

Purple Dice: Whatever you-

Screen: Okay, you all can now pass.

Marker: Well that's ONE way to do it.

“Everyone goes through the door”

Screen: Welcome to the final floor. As of now, the plane is 10 minutes away from landing on the island. But to get it to your beacon, you'll have to do one final test. Your final test is to walk here. That's it. Yeah. Do it. Do it now. Come on. Go.

Marker: Easy. Did they even try?

“Marker runs towards the door but he steps on a gigantic trap shoving him out of the plane”

Thread: Marker!

Purple Dice: How do we get across?

“Everyone looks at Brick Wall”

Brick Wall: Why yall looking at me?

“Brick, Purple Dice, and Thread shove Brick Wall down the hole, and jump on Brick Wall to the other side.”

Brick Wall: Brick! Help me!

Brick: Sorry dude, gotta win immunity.

Brick Wall: grrr...AHHH!!!!

“Brick Wall falls through the hole and falls off the plane and hits RedFinland off the plane”

Window: REDFINLAND!!! NOO!!!

Thread: AHHH!!!!

Purple Dice: Why does it feel like we’re going down?

“Shows the plane falling towards the island”

Everyone: AHHHH!!!!

Brick: Y’all are IDIOTS!

Thread: PD I’m sorry, oh wait I’m not.

EXILED: Sword, Mouse, Band-Aid

“Band-Aid gets teleported to the arena”

Sword: Lookie Lookie we got a newbie!

Band-Aid: Wha-Where am I now.

Mouse: Hi Band-Aid! We're just in some sort of arena basically competing for our lives now.

Band-Aid: Huh? But I-

TV: Welcome Band-Aid to the arena. How it works is that you and the other 2 contestants here will compete in a duel every day where the winner gets a reward IF they rejoin the game, and the loser will be eliminated. So far, Mouse has 1 reward. But you'll have time to catch up. Here are the rewards.

1 Reward: Advantage in the challenge

2 Reward: Massive Advantage in the challenge

3 Reward: Immunity from the next elimination you attend

And it repeats over and over again.

Band-Aid: Wait. Wasn't someone ELSE here too? What was their name?

Mouse: It was the Sky sadly. 😞

Band-Aid: Oh. Forgot that BLAND PEOPLE existed. Cut me some slack.

TV: It is time to start the next challenge. Today's duel will test not only your skills, but mostly your desires. It is to hold on to this pole. That's it. Whoever let goes of it first will be eliminated and the last one still standing will receive a reward. Everyone gets in position.

"Everyone's Legs touch the pole"

TV: 3.2.1.BEGIN.

Sword: heh, this challenge is EASY! It's just holding on to a stick!

Band-Aid: Is this REALLY what we're doing?

Mouse: I wonder what the catch is.

"1 HOUR LATER"

Mouse: Umm, my arm's getting a bit tired...

Sword: Sounds like a skill issue.

"3 HOURS LATER"

Mouse: Ugh...It's really starting to ache now!

Band-Aid: "ow...it hurts..."

"4 HOURS LATER"

Sword: 8 hours is NOTHING! I'm still superior!

Mouse: How are you still hanging on?! I feel like I'm going to drop any second!

Band-Aid: I'm slipping!

Sword: Losers.

"2 HOURS LATER"

Mouse: 10 hours...

"Mouse's leg starts slipping off of the pole"

Band-Aid: Stay...Strong...

"Band-Aid is sliding off of the pole slowly along with Mouse"

Sword: AHH

TV: And the contestant eliminated issssss....

"Someone's Leg slips off the pole"

TV: Band-Aid! By a very close difference! And the last one to hold on was Mouse!

Band-Aid: "huff puff" I feel so tired...

Mouse: Yes...Sorry Band-Aid...

Band-Aid: Whatever I don't care.

TV: Please leave the arena now. Thank you for playing.

Band-Aid: Oh well. I wish you all the best of luck.

"Band-Aid walks out of the arena and out to who knows where"

TV: Congratulations Mouse for earning 2 victories and Sword for both surviving the duel.

Mouse: I...DID IT!

Sword: Jeez no need to rub it in.

TV: I look forward to see you next time. Good luck to both of you.

ACTUAL END

Band-Aid: I knew it. I don't really care to be honest. I'm glad I almost escaped prison besides my stupid team but I feel like my team here has already come. I wish I would have at least made it further than Purple Dice cause he's an idiot but you know you can't have everything. Thanks I guess for having me.
