

Parent-Teacher Conferences

For grades primary to 12, Parent-Teacher meetings occur twice a year. The dates are posted on the school calendar and communication will be sent to parents. To attend, parents must register online to book an appointment. Parents are encouraged to attend the meeting which is 10-15 minutes.

Parent-Teacher meetings are conversations between the parent and the teacher about what is best for the child. It is an opportunity to discuss your child's progress. The teacher will explain how your child is doing by showing you examples of their work. The teacher may discuss your child's learning skills and work habits, and ways to support your child at home.

The following provides strategies to help you make the most of the Parent-Teacher meetings:

- Talk to your child before the meeting about what they like about school but also what they find difficult.
- Think about the questions you want to ask the teacher before the meeting. It is good to keep notes of your questions.
- Find out from the school if you can have an interpreter or staff member that speak your language or if you can get support from the YMCA School Settlement Make sure to arrive 5 minutes before your meeting. If further conversation is required with the teacher, arrange a date and time for follow up.
- After the meeting, talk with your child about the positive things that were discussed, and any specific concerns that were raised. Explain any plans that have been arranged to address these concerns.
