

Camps Offered in Summer 2024

TCGIS Summer **Camp Leaders** are Staff who teach their courses in German or in English; camps led in English are noted. **Camp Counselors speak German**, so in English-led camps the languages will be both German and English.

Registration age is based on **this** school year (i.e., if your child is currently in second grade, please register in the K-2 camps). **Registration is also open for 2024-25 Kindergarteners (Please sign them up as Grade Pre-K).**

Please email Michaela Bromenschenkel (mbromenschenkel@tcgis.org) if you qualify for the Free/Reduced Lunch Program to receive a Discount Code.

8:00am-9:00am	Camp Drop off	Included in Camp Fee
9:00am - 12:00pm Drop-off: 8:00am-9:00am Pick-up: 12:00pm-12:15pm	Camp Programs (Mon-Fri)	\$180 / week
12:00pm - 5:00pm Pick up: between 4:30 pm and 5:00pm	After Care (includes Water Fun Days, Playground Games, Neighborhood Field Trips (Como Zoo/Como Town), etc	<ul style="list-style-type: none"> • \$120/week with Camp sign up (discount will be reflected in Cart) • \$150/ week (Aftercare ONLY)
8:00am - 5:00pm	Full Day Camp Camp + After care	\$300/week

Camps Offered in Summer 2024

Camp Schedule (preK-2) (pre-K-4) (3-6)(4-6)(5-8)(6-8):

Week 1 / June 24-28:

Dance (Ballet) (Frau Jenkins)
Sport (Hr.& Fr. Fretwell)
Dance (Lyrical Workshop) (Frau Conery)
Harry Potter (Fr. Goerlitz)
Track and Field (Herr Tabisz)
Sport (Hr.& Fr. Fretwell)
Beginner Programming (Fr. Tran)

Week 2 / July 1-5:

closed

Week 3 / July 8-12:

Dance (Hip Hop Workshop) (Frau Conery)
Sport (Hr.& Fr. Fretwell)
Dance (Ballet) (Frau Jenkins)
Sport (Hr.& Fr. Fretwell)
Beginner Programming (Fr. Tran)

Week 4 / July 15-19:

Dance (Hip Hop Workshop) (Fr. Conery)
Kunst in der Natur (Fr. Goerlitz)
Dance (Jazz) (Frau Jenkins)
Art and Craft (Fr. Davies)
Beginner Programming (Fr. Tran)

Week 5 / July 22-27:

Dance (Jazz) (Frau Jenkins)
Art and Craft (Fr. Davies)
Beginner Programming (Fr. Tran)
Basketball (Hr. Clark/Hr. Hicks)

Camps Offered in Summer 2024

Week 6 / July 29-Aug 2:

Dance (Acro) (Frau Jenkins)

Basketball (Hr. Clark/Hr. Hicks) (**pre-K-4**)

Dance (Hip Hop Workshop) (Fr. Conery)

Pokemon (Fr. Davies)

Beginner Programming (Fr. Tran)

Coding is cool (Fr. Tessema)

Week 7 / August 5-9:

Dance (Contemporary Workshop) (Fr. Conery)

Dance (Acro) (Frau Jenkins)

Pokemon (Fr. Davies)

Beginner Programming (Fr. Tran)

Coding is cool (Fr. Tessema)

Camps Offered in Summer 2024

Camp descriptions follow below; minimum of 10 participants per camp, maximum of 15/20 participants per camp

Week 1 / June 24-June 28

Dance-Ballet (In English, with Camp Counselors speaking German) (Grades preK-2) - Frau Jenkins

Ballet is an art form created by the movement of the human body. It is theatrical, magical and exciting. In this class the children will learn the basic skill of ballet positions and the slow quality of movement through adagio.

Dance -Lyrical Workshop (In English, with Camp Counselors speaking German) (Grades preK-2) - Frau Conery

Learn skillful lyrical technique and show it off in a combination learned in class. Classes will also include a warm-up, stretching, and across-the-floor.

Sports in German (Grades preK-2) - Herr und Frau Fretwell

We will have soccer, running, hockey, basketball and more sports. You will spend half the day with Frau Fretwell and the other half with Herr Fretwell. You will be grouped by age/ability and we will be inside and outside.

Harry Potter (Grades preK-2)- Fr. Goerlitz

Explore the Wizarding World with us as we make Butterbeer, play Quidditch, craft our own wizard chess sets, and more!

Young Track Athletes (In German) (Grades 3-6) - Herr Tabisz

In track camp, we will learn the basics about the different disciplines: running, jumping, throwing and sprinting. We will play games that work on technique for each discipline. This is a great introduction to the world of track-and-field.

Camps Offered in Summer 2024

Beginner Programming (*In English*, with Camp Counselors speaking German)(Grades 4-6**) - Fr. Tran**

Computer programs are a part of daily lives and play an important role in running programs on phones, tablets, and computers. This camp will introduce the basics of programming using the Python programming language. Students will learn the first steps to coding a program and how to write their own code in Python. Each session includes a lesson and programming activities that help students develop computational thinking and problem-solving skills.

Sports in German (Grades 3-6**) - Herr und Frau Fretwell**

We will have soccer, running, hockey, basketball and more sports. You will spend half the day with Frau Fretwell and the other half with Herr Fretwell. You will be grouped by age/ability and we will be inside and outside.

Camps Offered in Summer 2024

Week 2 / July 1-5 **CLOSED**

Camps Offered in Summer 2024

Week 3 / July 8-12:

Dance-Hip Hop Workshop (*In English*, with Camp Counselors speaking German) (Grades preK-2) - Frau Conery

Learn upbeat hip-hop moves in class as well as a short combination. Classes will also include a warm-up, stretching, and other conditioning.

Sports in German (Grades preK-2) - Herr und Frau Fretwell

We will have soccer, running, hockey, basketball and more sports. You will spend half the day with Frau Fretwell and the other half with Herr Fretwell. You will be grouped by age/ability and we will be inside and outside.

Dance-Ballet (*In English*, with Camp Counselors speaking German) (Grades 3-6) - Frau Jenkins

Ballet is an art form created by the movement of the human body. It is theatrical, magical and exciting. In this class the children will learn the basic skill of ballet positions and the slow quality of movement through adagio.

Sports in German (Grades 3-6) - Herr und Frau Fretwell

We will have soccer, running, hockey, basketball and more sports. You will spend half the day with Frau Fretwell and the other half with Herr Fretwell. You will be grouped by age/ability and we will be inside and outside.

Beginner Programming (*In English*, with Camp Counselors speaking German)(Grades 6-8) - Fr. Tran

Computer programs are a part of daily lives and play an important role in running programs on phones, tablets, and computers. This camp will introduce the basics of programming using the Python programming language. Students will learn the first steps to coding a program and how to write their own code in Python. Each session includes a lesson and programming activities that help students develop computational thinking and problem-solving skills.

Camps Offered in Summer 2024

Week 4 / July 15-19:

Dance-Hip Hop Workshop (*In English*, with Camp Counselors speaking German) (Grades preK-2) - Frau Conery

Learn upbeat hip-hop moves in class as well as a short combination. Classes will also include a warm-up, stretching, and other conditioning.

Kunst in der Natur (*In German*) (Grades preK-2) - Frau Goerlitz

We will get out into nature and discover art that the trees, grass, and lake show us. We will also paint, draw and sculpt from what we see in nature.

Dance-Jazz (*In English*, with Camp Counselors speaking German) (Grades 3-6) - Frau Jenkins

In this class the children will learn the high energy dance that is liveliness.. Like Jazz music, jazz dance features improvisation. So plan on your children moving to the beat of their own drum.

Arts and Crafts (*In English*, with Camp Counselors speaking German) (Grades 3-6) - Fr. Davies

During this Camp the students will be able to craft various projects that they can bring home with them. They will learn stamping techniques, origami, button making and how to use pipe cleaners. They will have a choice as to whether they want to participate in the activities or just draw. Art is good for developing creative thinking and creative problem solving skills, along with fine and gross motor skills. exposed to the beauty and creativity of the mathematical world. Each activity will be structured as to be accessible and challenging for all who attend.

Beginner Programming (*In English*, with Camp Counselors speaking German)(Grades 6-8) - Fr. Tran

Computer programs are a part of daily lives and play an important role in running programs on phones, tablets, and computers. This camp will introduce the basics of programming using the Python programming language. Students will learn the first steps to coding a program and how to write their own code in Python. Each session includes a lesson and programming activities that help students develop computational thinking and problem-solving skills.

Camps Offered in Summer 2024

Week 5 / July 22-26:

Dance-Jazz (*In English*, with Camp Counselors speaking German) (Grades preK-2) - Frau Jenkins

In this class the children will learn the high energy dance that is liveliness.. Like Jazz music, jazz dance features improvisation. So plan on your children moving to the beat of their own drum.

Beginner Programming (*In English*, with Camp Counselors speaking German)(Grades 4-6) - Fr. Tran

Computer programs are a part of daily lives and play an important role in running programs on phones, tablets, and computers. This camp will introduce the basics of programming using the Python programming language. Students will learn the first steps to coding a program and how to write their own code in Python. Each session includes a lesson and programming activities that help students develop computational thinking and problem-solving skills.

Basketball (English/German) (Grades 5-8) - Hr. Clark/Hr. Hicks

Basketball Camp emphasizes the fundamentals of basketball with individual attention given to each player. The campers will be taught the basic techniques of shooting, dribbling, passing, rebounding, and defense. The camp will not only provide a fundamental base for each player, but will also be a fun and enjoyable experience for every camper. Camp is led by Hr. Clark, a former MSUM Player and AAU Coach and Hr. Hicks, a former professional Bundesliga Basketball + NBA player.

Camps Offered in Summer 2024

Arts and Crafts (*In English*, with Camp Counselors speaking German) (Grades 3-6**) - Fr. Davies**

During this Camp the students will be able to craft various projects that they can bring home with them. They will learn stamping techniques, origami, button making and how to use pipe cleaners.
