

Mystery of the 10 Kings

As we look at the prophecy of the 10 Kings, we will cover the subject from all the references, types and shadows. Before we do, we must understand the symbolism of “beasts,” as discussed with Behemoth and Leviathan, we see fallen angels expressed as beasts or wild animals, this relates to principalities and powers over nations. A spiritual hierarchy exists in the heavenlies that rule over nations. Seventy nations were divided after the flood which according to the Septuagint of Deut 32:8: ABP When the Highest divided the nations into parts, as He disseminated the sons of Adam, He set the borders of nations according to **the number of the angels of God;**

Thus, the division, borders, cultures and characteristics of the nations after the flood we according to the “number of the Angel” or to paraphrase an angel was assigned to each nation. We see this with Michael as “the great prince which stands for the children of your (Daniel) people (Israel).”

The next level in the hierarchy is when empires form ruling over multiple nations in their territory, meaning the angels over individual nations become absorbed under a high principality or power. This is documented in Daniel 8 when ruling “princes” are expressed as beasts:
The ram which thou sawest having two horns are the kings of Media and Persia.

And the rough goat is the king of Grecia

now will I (Gabriel) return to fight with the prince of Persia: and when I am gone forth, lo, the prince of Grecia shall come.

There we see the Ram revealed as the “Prince of Persia” and the Goat as the “Prince of Greece” meaning there is a ruling Angel as prince of the empire, in this case the Persian giving way to the Greek empire. In order for Gabriel to come and deliver a message he had to fight these ruling angels to reach Daniel. Therein the beast influences the “king” of that empire.

This understanding is important to establish as the “10 Kings” would be former empires that give their power to the end times beast kingdom.

Power to Beast Kingdom

At the point of Rev 17, we have a view before they receive their crown or kingdom in v12

“the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast. These have one mind, and shall give their power and strength unto the beast. These shall make war with the Lamb.”

When the devil is cast out of heaven, Trump the seventh head had been crowned or completed:

Rev 12:3 great red dragon, having seven heads and ten horns, and seven crowns upon his heads.

Trump, the son of perdition, is both the seventh head and of the ten kings as seen as the heads and horns on the scarlet-colored beast in Rev 17:

a scarlet-coloured beast, full of names of blasphemy, having seven heads and ten horns.

Then ten kings have crowns in the description of the “first beast”:

Rev 13:1 beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns

After the point they had “no kingdom as yet,” then they “agree, and give their kingdom unto the beast,” likewise “receive power as kings one hour with the beast. These have one mind, and shall give their power and strength unto the beast.”

10 Kings - Opinion

In the ABP of Rev 17:13 we see their “Opinion”:

Rev 17:13 ABP These have one **opinion**, and they give the power and their authority to the beast.

We make note of the word opinion because the 10 kings in Daniel 7 agree:

Dan 7:24-25 ABP And the **ten horns of it are ten kings**, and they shall rise up. And after them shall rise up another (little horn) who shall overwhelm all the ones prior, and three kings he shall humble, 25. and words against the Highest he shall speak, and the holy ones of the Highest he shall mislead, and shall be of the **opinion** to change times and law.

The fourth beast in v7 “it had ten horns. I considered the horns, and, behold, there came up among them another **little horn**,” thus Trump is named in scripture as a “horn” is a Trumpet! Thus, Trump is verb to blow a trumpet! It continues, “behold, in this horn were eyes like the eyes of man, and a mouth speaking great things.”

Power to what Beast?

When the 10 Kings “receive power as kings one hour with the beast. These have one mind, and shall give their power and authority unto the **beast**,” which Beast is this?

The word **Beast** in Greek is thērion θηρίον appearing 9 times in Rev 17 and a 10th time in Rev 19:19 which we know according to 2 Thes 2 is in reference to the Lawless one, the son of perdition. Therefore, the 10 times **beast** is mentioned alluding to the 10th king. In Rev 13 we have a Beast matching that of the terrible beast in Daniel 7, yet he is not mentioned in Rev 17, only the scarlet-colored, son of perdition **beast**.

Again, in v17 “the ten horns which thou sawest upon the **beast**” referring to scarlet-colored beast of v3 and “God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the **beast**.”

10 Giant Toes

The 10 toes on the feet of the Dan 2 statue were part iron and pat clay for “they shall mingle themselves with the seed of men.” Thus, mixing the angelic genetics with men.

Dan 2:41 And whereas thou sawest the feet and toes, part of potters' clay, and part of iron, the kingdom shall be divided; but there shall be in it of the strength of the iron, forasmuch as thou sawest the iron mixed with miry clay. And as the toes of the feet were part of iron, and part of

clay, so the kingdom shall be partly strong, and partly broken. They shall **mingle themselves with the seed of men**: but they shall not cleave one to another, even as iron is not mixed with clay.

The word in English “giants” comes from the Greek gigantes which is used in the Nephillim, case in point Ezk 32 of the 7 mountains:

“With swords of **giants** γίγαντων even I shall throw down your strength, pestilent ones from all nations....” (Eze 32:12, ABP)

V21 “The **giants** γίγαντες shall say to you (antichrist), into the depth of the pit you are not the best”

“And they sleep with the **giants** having fallen from the eon, the ones who went down into Hades with weapons of warfare; for they were frightened **giants** during their life.” (Eze 32:27, ABP)

7 Mountains

Next, we seek to identify who the 10 kings are on the scene. In the chapter we just read, Ezk 32, there’s 7 listed as the 7 mountains on which the woman sits in Rev 17:9.

In Ezk 32 He will lay the flesh of antichrist upon the “mountains” and “I will also water the land with your blood where you swim, even to the mountains.” Then the daughters of the famous nations or 7 mountains are listed:

Ezk 32:18 wail for the multitude of Egypt	v22 Asshur (aka Assyria) is there
v24 There is Elam	v26 There is Meshech, Tubal
v29 Edom and kings and Princes	v30 Zidon and princes of north

RED TEAM

Gog Meshech – Putin Russia Bear	Tubal - Xi Jinping China (dragon)
Elam/Persia - Ayotola Kameini - Iran	Togarma – Erdogan - Turkey

BLUE TEAM

BLUE TEAM

Assyria – USA - Trump	Tarshish/Zidon - UK - Charles
Edom - France - Macron	Israel/Egypt - Netanyahu
Gomer Germany NATO Rutte	Lion and Leopard's 4 Heads

We'll see later how the 10 kings are in conflict with each other that's how two teams are expressed but these nations/kingdoms are from Ezekiel 32 and 38. These are involved in the Global Armageddon, "the kings of the earth and of the whole world, gathered to the battle of that great day of God Almighty."

*Netanyahu is also named in scripture from 2 Ki 24:17- "the king of Babylon made **Mattanyahu** his father's brother king in his stead, and changed his name to Zedekiah" transposing the "M" to an "N" we have Netanyahu who's named is changed but is the prince of Jerusalem that makes the Peace Deal with Trump in Ezekiel 17 and his judgement described in chapter 12.

*Putin would be the prince or Rosh of Meshech or Moscow being the Gog of Ezk 38 and the Bear of Dan 7 when "they said unto it, Arise, devour much flesh."

*King Charles UK being the actual king in England would be one of the 10 kings following the 70 years Queen Elizabeth reigned.

The prophecy for the UK is in Isa 23 "it shall come to pass in that day, that Tyre shall be forgotten **seventy years, according to the days of one king**: after the end of seventy years shall Tyre sing as an harlot." Thus, the end time king would follow the 70-yr reign which was exactly that of Elizabeth. "...And your hand no longer prevails against the sea, O one provoking kings...." (Isa 23:11, ABP)

Lamb Overcomes

Just as Joshua overcame 33 kings, several of which were Nephillim, even so Yeshua overcomes the 10 kings at Armageddon

The ten kings shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful.

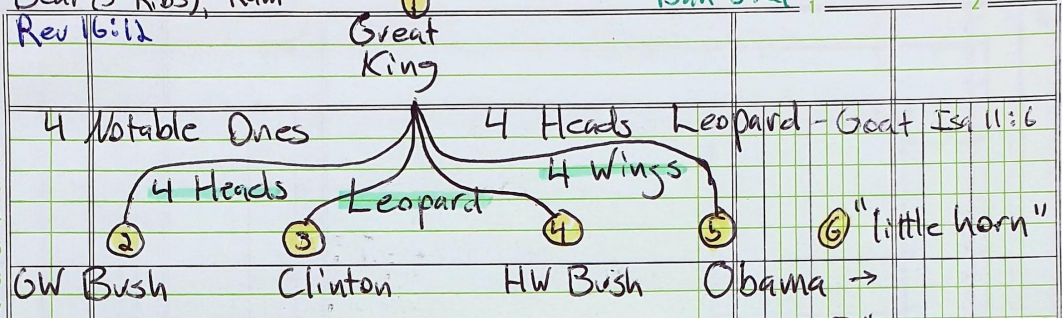

And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army. And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone. And the remnant were slain with the sword of him that sat upon the horse, which sword proceeded out of his mouth Rev 19:19-21
