

## Procedural Pathways Online Self-Guided Training

This platform was designed so you can access content and learn anytime by participating in this training virtually. These modules are designed to help you navigate special education documentation.

Successful completion of each module earns 1 hour of professional development/EILA credit from KEDC Special Education. Certificates of completion are awarded as you go through the modules via quizzes. You must score 80% or higher to pass the quiz and receive the certificate. Certificates are sent to the email entered in the Google quiz.

The modules were recorded during Zoom session presentations given by Jenny Hogg, a Special Education Consultant employed by KEDC. You are encouraged to work at your own pace. The modules consist of 1-hour videos paired with a quiz for a total of 6 hours. All handouts can be found in the Google folder: [Procedural Pathways Series Materials](#). This list serves only as a guide to lead you. Modules can be viewed in any order and not all modules must be viewed.

**If you have any questions about the content please contact Jenny Hogg, [jenny.hogg@kedc.org](mailto:jenny.hogg@kedc.org) If you have access issues with the links, quizzes or certificates contact Pam Middleton, [pam.middleton@kedc.org](mailto:pam.middleton@kedc.org) If you do not get the emails after submitting your quiz, check your spam and junk folders first.**
