May 20 , 2026

Hello JE Families!

The end of the school year is fast approaching, and I want to thank you for your continued support.

The administration of final exams and Regents exams will begin on Tuesday, June 9, and conclude on Thursday, June 25. The logistics are as follows:

- The last day of classes for all high school students is Friday, June 12.
- Teachers will communicate directly with students about the dates and times of review sessions and lab practicals.
- Starting on Monday, June 15, students are to attend only if they have an exam or if they are participating in a review session.
- Please refrain from making appointments during your student's exam time.
- All students are to report to the cafeteria 20 minutes before their exam or review class.
- In keeping with state regulations, all students taking a Regents exam will be asked to turn over all electronic devices; said items will be returned to students upon their exit from the testing area.
- Lunch will be served from 10:00 a.m. to 11:30 a.m.
- Drop-off and pick-up times will remain the same.
- Students without their own transportation for an 11:30 a.m. Regents must take their morning bus to school.
- There will be an 11:30 a.m. bus run for students who need transportation home following the morning testing block.

An examination schedule is posted on the district's web site on the high school home page and is included on this document for your reference. Should you have any questions, please call the main office.

Best regards,

Mark Schermerhorn
