

4th & 5th Grade Student Council

August 21 , 2026

Dear Christie Elementary Parents and Guardians,

Student Council is composed of 4th and 5th grade students whose primary role is to support our school through service projects, provide leadership opportunities, and help support our Christie Nation Essentials.

This group will promote school spirit, school projects and school-wide connections. Anyone who has a desire to make a positive difference in our school and community has the opportunity to apply to be part of this group. We work to build character and develop leadership, confidence, responsibility, organization, and teamwork. Students in this club will be expected to attend meetings before school (7:15-7:45) on a designated day of the week. Typically meetings will occur twice a month. Once the application committee has selected participants this year, we will provide a master schedule of upcoming meetings to help you plan for these.

Please discuss the responsibilities and qualifications of what it takes to be a Christie Student Council member with your child. (Any student who does not meet these criteria during the school year, will be placed on probation, and may be dismissed from service.)

Students will need to complete the application, attached, if they would like to participate in Student Council, by **Tuesday, September 1st, 2026 (by 3:10 pm)**. An interest in this program does not automatically guarantee participation. ***Late applications will not be accepted.*** If you have any additional questions, please do not hesitate to contact Ms. Hobson (blhobson@prosper-isd.net). I look forward to working with you and your child throughout the 2026-2027 school year.
